Trend to GOP is studied

The supposed Republican trend in this state — myth or reality?

Quad-Cityans and other Illinoisans don't know for certain — but they will soon. The general election is only eight days away — Tuesday, Nov. 2.

Current polls show Republican James R. Thompson not only winning the office of governor but by a big margin over Democrat Michael J. Howlett.

This possibility is leading some to predict that Thompson's "coal tails" will enable President Gerald Ford (R) to narrowly defeat former Georgia Governor Jimmy Carter (D), perhaps tipping the

national election in Mr. Ford's direction just as John F. Kennedy's 1960 Illinois victory was crucial to his nationwide success in the race for the White House.

The prospect of a Republican trend statewide also is seen by some as giving Madison County Republican candidates a chance of victory despite the fact that this county generally elects Democrats.

It is being predicted that the present 13-11 Democratic edge in congressmen from Illinois may shift by three to a 14-10 Republican advantage with the Nov. 2 balloting.

Despite such speculation, (Continued on Page 2)

Temporary layoff at Granite City Steel

Fall, normally a good season for Granite City Steel to ship steel building products used by farmers, has been slower than usual from a sales standpoint.

For that reason and others, the outlook for mill production — and employment — for the rest of the year is regarded as not encouraging.

"Unfortunately, we're not expecting any higher levels of operation for the balance of 1976," Granite City Steel President Robert D. McBride comments.

"This will mean some temporary layoffs in the Hot Strip,

Cold Strip and Galvanizing departments over the next three months. He estimated there are about 300 employees in layoff status at present.

The length of layoffs for affected employees will depend on the weekly rate of incoming orders.

McBride said it is not just the farmer who is failing to buy steel for one reason or another. The entire capital goods segment of the economy has been sluggish — areas like construction, industrial equipment, shipbuilding.

Early Long Lake, Chouteau residents

(80th of a Bicentennial year Press-Record series)

In the latter part of the year 1800, James Gillham, with his family, moved to a tract of 160 acres of land here.

The United States government had given the site to his wife, Ann, in recognition of the great trials that life had imposed upon her.

She and three of her children had been captured by Kickapoo Indians in 1790; five years later, they were ransomed and rescued.

The tract of land bestowed on Mrs. Gillham by act of Congress was situated at the hand of Long Lake.

Congress officially recognized the hardship and

suffering that had been endured during her captivity.

Mr. and Mrs. James Gillham continued to reside here throughout their lives.

Samuel, the oldest son, married Anna Patterson and settled on the south half of section 15, township 4, range 9, west.

This family consisted of five sons, viz: John P., James H., Isham Barnett, Dr. Samuel J., later of Carlyle, and Gershom M., also of Carlyle.

Their daughters were Adelaide, Louisa, first wife of late Samuel P. Gillham, Ruhama, and Nancy, the latter later living in Mascoutah.

Informational picketing, which was conducted today on a 20th Street

sidewalk near the Granite City Board of Education office but schools operated normally.

A meeting was in progress between school administrators and representatives of Service

Employees' Local 98, whose members include custodians, cafeteria workers and secretaries.

"No person or organization is asked to refrain from working," picket signs said.

A point of dispute

between the school district and the union is the school's policy of utilizing institute days to clean

ovens and other equipment more thoroughly than is possible on days when lunches are cooked for students.

Pickets said they are being given the day off during teacher institutes instead of being allowed to work for pay.

Maryville Road bids

All right-of-way needed for improvement of Maryville

Highway 162 has been obtained and bids for the project will be opened at the County Highway Department in Edwardsville on Nov. 16, it was announced today.

A bid date was set after a problem involving a tract of

land adjoining the Colonial Haven Nursing Home in Granite City was resolved.

William Webb, a member of the County Board from District 19 and chairman of the board's Right-of-Way Committee, said acquisition of the final tract by Granite City cleared the way for beginning the project.

East-West to hear Edwards

Correspondent Douglas Edwards, anchorman of the

CBS Mid-Day News, will be the featured speaker Nov. 16 at the East-West Gateway Coordinating Council's 11th annual dinner.

Nelson Hagauer of Granite City is president of the council.

Edwards, who has anchored a daily television broadcast on CBS for 27 years, was the first major radio newsmen to make

the transition to television. He has covered national conventions, elections and inaugurations.

His most famous news stories were an on-the-scene report from the floor of Congress after the attempted assassination of President Truman in 1947 and

Meet on SIUE presidential post

A special meeting of the Board of Trustees of Southern Illinois University will be held

tonight and Tuesday at the Marriott Hotel, near Lambert Field in St. Louis.

Ivan H. Elliott Jr., chairman of the board, said the entire meeting is expected to be conducted in executive session because the trustees are being called together to consider the appointment and employment of a president for SIUE at Edwardsville.

The appointment will fill the position left vacant by the death of President John S. Rendleman on March 4.

Three candidates recommended by the university's Presidential Search Committee will be interviewed by the trustees.

The candidates are: Richard Fontana, 41, dean of the faculty and dean of the Graduate School at Southeastern Massachusetts University, North Dartmouth, Mass.; Robert Maier, 48, professor of science and environmental change and of environmental administration at the University of Wisconsin-Green Bay; and Kenneth Shaw, 39, a native Granite Cityan, vice president and dean of the

Prosecution issue in state's attorney race

One of the liveliest of the Madison County election races

Tuesday, Nov. 2, involves the office of state's attorney, currently held by Nicholas G. Byron, 46, Edwardsville Democrat.

The challenger, William C. "Chuck" Evers III, 31, Collinsville Republican, asserts that "the system of plea-bargaining that presently exists in the state's attorney's office will be ended" if he is elected.

State's Attorney Byron, who has held the office for the past four years, seeks re-election on the basis of improvements in the prosecution of criminal defendants, many of whom are now serving in state prisons for murders, robberies and other felonies.

Byron won the nomination over opposition in the 1976 Democratic primary.

His opponent next week did not run in the Republican primary but was chosen by the party's central committee to appear on the ballot.

An Army veteran, Byron is married and the father of five children.

A trial lawyer 18 years and a prosecutor for seven years, Byron was elected in December 1975 as one of 11 members of the Illinois Prosecutors' Advisory Council, a state body formed to provide advice, training and other assistance to state's attorneys.

A vice-president of the Illinois State's Attorneys Association, he serves on the Illinois Legislative State's Attorney Study Commission and is a member of the National District Attorneys Association.

The attorney has been admitted to practice before the U.S. Supreme Court.

Byron is a graduate of the Washington University School of Law, Johns Hopkins University and the National College of District Attorneys.

His memberships include St. Andrew's Episcopal Church, the Madison County Grand Jury Association and county, state

and national bar associations. Prior to being elected to county office, he served on the City Council in Edwardsville. He moved to that city in 1963 and is a native of Lansing, Mich.

Statistics indicate that during his service as state's attorney, there have been convictions resulting in over 2,000 years in prison for criminals and over \$700,000 in fines.

He has emphasized employment of full-time assistants for most duties, and says the staff is available 24 hours a day. He stresses cooperation with

railroad and oil and gas industries; some of these are running well behind a year ago, he added.

Despite the low level of current orders, GC Steel operations are still above their levels of late 1975.

Shipments, however, are the lowest since last January and February.

Another reason for lower operations in the Hot Strip Mill is that GC Steel is not receiving slabs to roll for the Weirton (W. Va.) Steel Division because Weirton currently has adequate rolling capacity on its own mill.

"Regardless of these unfavorable aspects," McBride commented, "we believe this is only a temporary slump in the market and that the economic recovery will move out again after year-end."

"I expect that 1977 will be a good year overall. Capital goods should begin to pick up and increase steadily through the year."

"While we have reduced our original estimates for the first quarter of 1977, we are still projecting an overall increase of 15 per cent to 20 per cent in customer shipments over 1976."

This family consisted of six daughters, Sally, who was the wife and widow of Charles Bram, and also the wife of J. Miller Murphy, Eliza, the wife of Philip Day, Arilda and Indiana, the first and second wives of Isaiah Dunnagan Jr., Zarah, who married a Mr. Douglas, and Ellen, the first wife of Micajah C. Gillham, and J. Franklin, who died at the age of 18 years.

The third son, J. Clemens, married Priscilla Patterson and settled in the same section, township and range.

Their children were John Patterson, later of Missouri, Harriet, later Mrs. Rush, of this county, and Lucinda, first wife of the late James Sanders. His second wife was Miss Katy Harkleroad, sister of the late Isaac Harkleroad of Madison County.

His children were J. Milton, Priscilla Gillham, later of Mississippi, and Malinda, the wife of James Coda of Madison. J. Harvey, the fourth son of Samuel Gillham, married Polly Whiteside, and settled in the same section with his brothers. Their children were William, Sally, Samuel and Ann.

David M. married Polly Harkleroad, and settled also in the same section. They had two sons, Thomas and Mason.

Polly, the oldest daughter of Samuel Gillham, married a Mr.

Thomas, but raised no family. The others married and left the county, and became residents of the state of Mississippi.

John Gillham, the fourth son of Thomas Gillham Sr., emigrated from South Carolina to Illinois, arriving in Monroe County on the 10th day of June 1802, and settled in Madison County in section 19, township 4 north, range 8 west, just west of the farm of Col. Samuel Judy and Bolin Whiteside on the west bank of Cahokia Creek.

He lived a few years there and then moved to the northeast quarter of section 1, same township and range, where he resided until his death in March 1832.

He was married in South Carolina to Miss Sarah Clark, by whom he had 12 children, six sons and six daughters.

Their names were in this order: Margaret, Ann, Thomas, James, Ryderus, Clark, Sarah, Charles, Elizabeth, Susannah, Polly, John and William.

Margaret and Ann were married in South Carolina, the former to Samuel Brown who settled on the northeast quarter of section 4, township 4 north, range 9 west, where Mrs. William Emert later resided, selling out in 1830 and moving to Scott County.

The latter married Isaiah Dunnagan, who made the first improvements in township 5, range 8, now Fort Russell, upon the southwest quarter of section 31, where the parsonage stood at Wanda Station.

Their children were Joshua, of Colorado, Thomas, Almer, Joseph, Clark, Isaiah and a

Judges Clark, Barr seeking retention; Judge Calvo is Democratic candidate

JUDGE JOSEPH BARR
Judge Joseph J. Barr, 57, of Wood River is seeking retention Nov. 2 for another six-year term as a circuit judge in the Third Judicial Circuit.

Judge Barr has been in the office since 1967. Prior to becoming a circuit judge, he served, beginning in 1960, as a probate judge.

He graduated from the Notre Dame Law School and practiced law for several years in Alton and Wood River.

Judge Barr and his wife, Mary, have five grown children. He is a member of the Madison County Bar Association, the Illinois State Bar Association and the American Bar Association.

Based on a poll of attorneys, Judge Barr has been recommended for retention by the Illinois State Bar Association. A Marine Corps veteran of World War II, he is a member of the American Legion, Disabled American Veterans and Veterans of Foreign Wars. He is also a member of the Knights of Columbus.

Mortgage loans rise

The Federal Home Loan Bank of Chicago reports that savings and loan associations here made more mortgage loans this August than a year ago. Sixty-six savings and loan firms in Madison and St. Clair Counties and vicinity made \$33,700,000 of mortgage loans in August, as against \$20,600,000 a year earlier.

This brought the mortgage loan total for the first eight months of the year to \$197 million against \$121 million in January-August 1975. Total savings of Southern Illinois associations rose \$5,700,000 in August versus a gain of \$9,500,000 a year earlier. Savings rose \$110 million in the first eight months of 1976, compared with a gain of \$141 million in the previous year.

Circuit Judge Harold R. Clark, 58, is on the ballot Nov. 2 for retention in a new six-year term as circuit judge. He has no opponent under Illinois judicial rules; there will be "yes" or "no" votes on retaining him.

Circuit judge of the Third Judicial Circuit, consisting of Madison and Bond Counties, elected Clark chief judge. He has been in the office since 1976-77. He succeeded Judge Joseph J. Barr, whose term expired June 30.

Judge Clark has been a circuit judge since 1966, and has previously served as chief judge of this circuit.

After graduating from the University of Illinois law school, he was admitted to the Bar in 1941. He entered private practice and served in the Army during World War II.

Judge Clark announced June 17 that Judge William Beatty and Judge Moses Harrison would continue in the criminal division for the year. As in the past, the trial of criminal cases is being given priority over civil cases, and additional judges will be assigned to criminal jury trials as needed, he said.

Judge Clark returned to the civil division along with Circuit Judges John Gilchiff, Victor Moselle and Horace Calvo. Judge John DeLaurenti is presiding in Bond County.

Judge Clark resides in Alton with his wife Mary. Their children are Bill, attending Chicago Medical School, Tom, an engineering student at the University of Illinois, Jane who is enrolled at Purdue University, and Sarah, 10, at home.

Judge Clark was a practicing attorney 10 years before becoming a circuit judge 20 years ago.

He has participated in all types of civil and criminal cases and has handled special assignments from the Illinois Supreme Court to handle Appellate Court cases. He ran unsuccessfully in 1970 for judge of the Supreme Court.

A Republican, he resides in Alton, where he has been a member of the Alton Board of

Judge Clark graduated in 1941 from the University of Illinois Colleges of Commerce and Law.

Use of solar heat outlined in pamphlets

Cong. Melvin Price (Dem., 23rd Ill.) has announced that several new pamphlets on home use of solar heat are available from the U.S. Energy Research and Development Administration.

Price said the pamphlets are written to help answer questions from homeowners who want to use solar heating and hot water equipment but are unsure whether the savings are worth the investment.

Single copies of the pamphlets are free — one copy per requestor — and can be obtained by writing to the Energy Research and Development Administration Technical Information Center, Box 62 Oak Ridge, Tenn. 37830. For multiple copies, an order form and price information are available at the same address.

The pamphlets offer comparisons on the cost of installing solar heating equipment with the cost of electricity and other fuels, Rep. Price said. "They also offer information on the usefulness of solar equipment in particular areas of the country, and tell you something about installing your own solar heating system."

Horace L. Calvo, 49, a circuit judge of the Third Judicial Circuit since being appointed Sept. 10, 1975, won the Democratic nomination March 16 to run for a full six-year term as judge. He is on the Nov. 2 ballot.

If successful in this year's partisan election, he would seek subsequent terms on a non-partisan basis under existing Illinois court election procedures.

An active lawyer until being named a judge, he was a Democratic member of the Illinois General Assembly from this district, the 56th, at the time of the appointment by the Illinois Supreme Court.

The appointment was effective Sept. 22, 1976, and he resigned as a legislator on Sept. 21. Calvo was initially assigned to civil cases in the Quad-City area.

He succeeded Judge Fred P. Druman, who retired. Calvo was recommended for the Third Circuit position by Supreme Court Justice Joseph Goldenbergh of Belleville.

Calvo's affiliations include the American Trial Lawyers and Illinois Trial Lawyers groups. As a state representative, he served on the Judiciary Committee.

Admitted to the practice of law on May 24, 1956, he began his law practice on Sept. 1 of that year in Granite City and left his own law office beginning in February, 1961.

He resides at 24 Oaklawn Drive in Granite City, with his wife, Josephine. They are the parents of four children, ranging in age from 23 to 27.

At the time he was being considered for the \$42,500 salary position, he said he regarded it as "an advancement in my career."

As a legislator, he sought passage of a number of new laws and also encouraged regular contact between area residents and state agencies and departments.

Originally elected to the Illinois House of Representatives in 1960, he won a fourth two-year term in November 1974.

Young families also need wills

For young families just starting out in life, a will may be considered the last thing they considered.

But, says the Illinois State Bar Association, it frequently is even more crucial for a young family to draw a will than an older, more established one — regardless of the value of the property involved.

This is true because the most critical element in the will of a young father or mother could be the provision stating who should have custody of their minor children in the event that both husband and wife should die.

In cases like this, bitter arguments sometimes ensue between maternal and paternal grandparents over the custody of grandchildren.

While the grandparents or other members of the family mean well, both sides quite naturally feel they would be most capable of caring for the children; a will which establishes a guardian for the minor children, in the event of the death of both parents, will eliminate family squabbling, the HBA adds.

Through wills, a couple may also outline how the finances of the children should be handled. Insurance policies can frequently make the children of even young families financially well off.

A will can provide for proper disposition of all property, including insurance proceeds, and establish trusts that will protect these assets during each

JUDGE HORACE CALVO

Before becoming a judge, Calvo was an attorney with offices at 1800 State St. He was engaged in the practice of law in Granite City for over 19 years.

He has been active in civic issues, having aided youth and sports programs of the Granite City Park District, and has been vice-president of the Human Relations Commission.

He served with Attorney General William G. Clark for eight years, 1968-68, as a special assistant attorney general of Illinois.

Calvo for many years was attorney for District 34 of the United Steelworkers of America.

He has been active in the Tri-City Bar Association, having served the association as treasurer and president, and the Madison County Bar Association, serving on its judiciary committee.

He also has been a member of the Illinois State Bar Association and the American Bar Association.

A World War II veteran, Judge Calvo has been a member of American Legion Post 113, Elks Lodge 1063 and Knights of Columbus Tri-Cities Council 1098.

He served in the offices of secretary, vice-president and president of the Granite City Democratic Club in past years.

State allocates motor fuel tax

Illinois municipalities have been allotted \$10,080,991 for their share of motor fuel tax paid into the state treasury during September, according to the Illinois Department of Transportation.

Motor fuel tax funds are allocated monthly to the various municipalities in Illinois for their streets and highways. The monies allocated are computed on the basis of population.

Allotments to Quad-City area municipalities included \$43,297 to Granite City, \$7,302 to Madison and \$4,833 to Venice.

The DOT announced that distributions to townships and road districts totaled \$3,287,929, including \$40,598 to townships in Madison County.

Allotments to downstate counties amounted to \$3,736,857, of which Madison County received \$142,418.

Miss Jaclyn Sudholt and Alec Harrison are wed

Miss Jaclyn Agnes Sudholt, a daughter of Mr. and Mrs. Norbert H. Sudholt, 3222 Westchester Drive, became the bride of Alec Bruce Harrison, a son of Mr. and Mrs. William J. Harrison, 739 Twenty-seventh St., on Sept. 24 at St. Margaret Mary Catholic Church.

Arrangements of yellow mums and bronze pom poms decorated the altar for the double ring ceremony performed at 7 p.m. by Father Edward Groesch.

Organist Jack E. Jenkins accompanied Mrs. Joe Billrey as she sang, "Because," "The Lord's Prayer," "Ave Maria," and "The Hawaiian Wedding Song."

Candlelighters were Sally and Thomas Harrison, a sister and brother of the groom.

For her wedding the former Miss Sudholt, chose a full length gown of ivory Quilana enhanced with Chantilly lace and pearl motifs on the bodice and long tapered sleeves.

The long skirt extended into a sweeping cathedral length train.

She wore a double tiered Juliet crown of seed pearls and ivory lace to secure her fingertip length veil of bridal illusion.

Her bouquet was a cascade of white roses, bronze daisy pom poms and baby's breath.

Maid of honor Miss Jill Sudholt, a sister of the bride and bridesmaids Miss Malene Tolbert and Miss Cynthia Szczepank, selected identical gowns in beige polyester fashioned with high necklines and long full sleeves.

A dark brown velvet embroidered trim formed the yokes and also accented the cuffs.

The honor attendant wore a dark brown picture hat and the bridesmaids wore beige hats and all the girls carried bouquets of dried wood roses, gold cedar and bronze pom poms.

The groom chose his brother, William Scott Harrison, as best man. Timothy Holt and Michael R. Cochran served as groomsmen.

Thomas Harrison, another brother of the groom and John Michael Becker and James Wagner were ushers.

Mrs. Michael R. Cochran presided over the guest book at a reception held at the Elk's Lodge, immediately following the ceremony.

A rehearsal dinner was hosted by the groom's parents at Charlie's Restaurant.

Mrs. Sudholt was attired in a long chiffon gown in shades of brown designed with an Empire bodice and capelot complemented with gold accessories. She carried a purse corsage of peach roses.

The groom's mother, Mrs. Harrison, appeared in a formal length mint green crepe gown fashioned with long fitted sleeves and trimmed with rhinestones. She wore matching accessories, and a yellow rose corsage.

Following a wedding trip to Cherokee Village, Ark., the newlyweds are now residing at Gaslight Walk Apartments.

Both graduated from Granite City High School South. The bride also graduated from Lewis and Clark Community College and is employed as a certified dental assistant at the Southern Illinois University dental school.

The groom is attending Bailey Technical School.

Tarpoiff-Miller engagement

The engagement and plans for a July 17 wedding of Miss Joyce Miller and John A. Tarpoiff were announced by the bride-elect's parents, Mr. and Mrs. Walter Miller, 12 Jennycliffe, Clarkson Valley, Mo., at a family dinner party held in their home.

Parents of the groom-elect, Mr. and Mrs. Alexander Tarpoiff, reside at 1609 Clark Ave. Miss Miller graduated from the University of Missouri where she majored in horticulture and was a member of Delta Gamma Sorority. She is presently teaching at North County Technical High School.

Her fiancé was graduated from Granite City High School and from the University of Missouri with a degree in biology. He belonged to Alpha

Tau Omega Fraternity and is working for Tarpoiff Packing Co.

The wedding will be solemnized at Holy Trinity Eastern Orthodox Church in Madison

Former residents announce 1st child

Mr. and Mrs. James Leonard of Springfield, Ark., former residents of Granite City are announcing the birth of their first child, a daughter, born Oct. 7, in Springfield.

Mrs. Leonard is the former Ann Pashea.

The grandparents are Mr. and Mrs. Ony Pashea of Granite City and Mr. and Mrs. Ray Leonard, of Fayetteville, Ark., formerly of Granite City.

Acupuncture meeting topic

Dr. Thomas Clay of the Midwest Healing Arts Center, Granite City, spoke on acupuncture at a meeting of Xi Epsilon Chi Chapter of Beta Sigma Phi Sorority, last week.

Mrs. Barbara Jones hosted the meeting in her home 2709 Sunset Drive, and presented a program entitled "Tomorrow Dawn."

President Mrs. Carol Cathey was in charge of the business session. Mrs. Linda Koenig gave a report on the sorority City Council meeting, adding the sessions will be held at St. John United Church of Christ on the first Wednesdays of November, December and January.

Joan Pritchard and Ivy Humphreys are collecting orders and money for Christmas cards, the club's current project, it was noted.

Mrs. Cathey reported she and several members will attend a sorority convention in Jefferson City, Mo.

The evening prize was won by Jan Monaghan. Also present was Carolyn Cnovich, Barbara Hents, Marilyn Lumpkins, and Donna Lane. Mrs. Pritchard will host the Nov. 1 meeting.

Mr., Mrs. Johns mark anniversary

Mr. and Mrs. David (Denise) Johns, 2660 Lincoln Ave., celebrated their fifth wedding anniversary, last week at an outdoor party at their home.

The hosts built a large bon fire for a wieners roast and decorated the lawn with straw bolls, pumpkins and straw scare crows.

Games were played during the evening and the honorees received many gifts in honor of their anniversary and also as a housewarming event.

Those attending included Mr. and Mrs. Donald Seitzer and son David, Mr. and Mrs. Jack Grieves, Mr. and Mrs. Wesley Edwards and children, Gwen, Paul and Tammy, Mr. and Mrs. Noel Bailey and children John and Barbara and Mr. and Mrs. Neil Bailey and the hosts daughter, Susan Johns.

RAILROAD OUTLOOK IS GOOD. Downing Jenks, chairman of the board and chief executive officer of the Missouri-Pacific Corp., standing, tells the Thursday noon meeting of the Granite City Optimist Club. Seated, from left, are Alan Walker, vice-president of the GC Optimist club,

Railroad industry now on right track

By WALTER STRANGE Press-Record Staff Writer

Based on the prediction that the railroad industry will purchase between 40,000 and 50,000 freight cars during 1977, indications are for a good year ahead for American Steel Foundries here.

Downing B. Jenks, chairman of the board of the Missouri-Pacific Corp., which operates the Missouri-Pacific Railroad, and has subsidiaries in gas and oil exploration, transmission lines, cement and an assortment of transportation affiliates, made the projection at the Thursday noon meeting of the Granite City Optimist Club in the YMCA.

Jenks made the prediction in answer to a question by Mitchell Milonski, works manager at American Steel Foundries where numerous parts for railroad freight cars are manufactured.

Jenks commented: "Despite what you read in the newspapers, many railroads are going great. Penn Central and Rock Island went bankrupt due to poor management."

"Our success is due largely to the good people we have working in our company. We have a fine group of very eager young men and a sound training program. Currently we have 31,000 freight cars, 800 engines and 12,000 miles of track."

"Since 1961 we have spent \$1.5 billion mostly in the 1960s, upgrading our holdings. In 1976 we spent \$13 million. It's cheaper to maintain good track than to replace it or repair old track. Derailments are expensive."

"In 1972 we did a \$17-million business and during the first nine months of 1976 we have already done \$45 million."

Autos collide, 2 girls hurt

An accident at Nameoki Road and St. Clair Avenue early Thursday resulted in injuries to two passengers in one auto and the driver of the second car involved receiving a traffic citation.

Police said the auto of Carol Vasquez, 2234 Edwards st., northbound on Nameoki Road, and a car turning south from St. Clair Avenue, operated by Judith S. Millap, 3217 Davis Ave., collided. Mrs. Millap was ticketed on a charge of failure to yield the right of way at an intersection.

Dolores Romeriz, 19, of 2328 E. 24th St., and Pam Vasquez, 16, of the Edwards Street address, both passengers in the Vasquez vehicle, sustained minor injuries.

DeMolay officers installed

Robert C. DeCoursey, a son of Mr. and Mrs. John F. DeCoursey, 2875 Iowa St., was installed as master counselor of James Stuart Chapter, Order of DeMolay, at the Masonic Temple last week.

The installing team was composed of chevalliers from the local chapter and Edwardsville. Charles E. Hileman Jr. was installing officer; William A. Cochran Jr., installing senior counselor; Brian W. Klaus of Edwardsville, installing junior counselor; Ellis N. Hackney Jr., installing marshal; Anthony P. Tsigrasoff, installing chaplain, and Stanley C. Myers, installing senior deacon. Other senior line officers installed were:

Kelly D. Smith, senior counselor; Dennis E. Worthen, junior counselor; Norman E. Burgess Jr., chaplain; John E. McNall, treasurer; Bradley W. Lane, senior deacon; Thomas C. Groshong, junior deacon; Paul S. Clinard, senior steward; R. David Harley, junior steward; Delbert E. Sipes, sentinel; John M. Seymour, standard bearer; Nicholas L. Thorndyke, almoner; S. Thomas Ebrecht, marshal; Terry A. Sutton, orator.

Radar-tracked balloons will aid sampling of air

Four weeks of air sampling and scientific field research began today in the area of a 30-mile radius around the Gateway Arch, including the Quad-City area.

Gene D. Prantner, Regional Air Pollution Study field director, says the final field expedition of the five-year, \$22 million study will extend through Nov. 19.

Advanced scientific equipment is located at 25 fixed-base monitoring stations. In addition, summer, fall and winter field expeditions have been made, utilizing helicopters, airplanes, balloons and mobile units for additional air sampling.

Prantner said helicopter flights are the only part of the exercises likely to cause public inconvenience.

The flights will consist of spirals from about 2,500 feet down to 200 feet, primarily in the vicinity of the 25 ground monitoring stations.

Flights of two and a half hours' duration will be scheduled each morning and afternoon, Monday through Saturday.

One new entry in the assortment of equipment used for the field research will be constant-level balloons, called "tetrons."

Equipped with transponders and tracked by radar, they will determine wind trajectory at a constant altitude. Prantner said they are being added to the field expedition in order to move with parcels of air and study the transport of pollutants being tracked.

Anthony P. Tsigrasoff, scribe; Mrs. Gary DeCoursey and their children of Taylorville. Lisa Smith, acting honored queen of Bethel 43, was introduced and she introduced her officers. She also is the chapter's sweetheart and the 1976 homecoming queen at South High.

The Job's daughters "formed the cross" prior to the closing of the installation. Miss Kathleen Lane, past honored queen of St. Louis County, and Mr. and Mrs. Gary DeCoursey and their children of Taylorville.

While DeCoursey was at the altar taking his pledge of office, Mrs. June Branding sang "I Walk With God," accompanied by Mrs. June Barton. Jim DeCoursey escorted his mother, Mrs. Shirley DeCoursey, to the altar where she was introduced as an arm bouquet of roses by Bob who expressed appreciation to his mother.

While they were at the altar, Mrs. Branding sang "I Believe," accompanied by Mrs. Barton. Bob then introduced his family, including his parents, sister Mary Ellen, brother Jim, grandparents Mr. and Mrs. H. K. Armstrong and Mr. and Mrs. John F. DeCoursey Sr., of Jerseyville; aunts and uncles, Mr. and Mrs. Gene Dohrendorf of

Equipment in the helicopters and mobile units will provide horizontal and vertical measurements of ambient air quality, revealing the movements and dispersal of pollutants.

Readings will be taken of sulfur dioxide, nitrogen oxides, hydrocarbons, ozone, carbon monoxide and particles.

Prantner said data collected through RAPS is being used to develop computerized mathematical models which will describe the region's air quality under varying conditions.

Alternate pollution control strategies and equipment then will be tested and evaluated against the mathematical models.

The goal of RAPS is to furnish precise, comprehensive knowledge as a basis for making air pollution control decisions. Prantner said.

Ultimately, RAPS will help scientists find means of attaining clean air with the least possible disruption to modern lifestyles.

Prantner said helicopter flights are the only part of the exercises likely to cause public inconvenience.

The flights will consist of spirals from about 2,500 feet down to 200 feet, primarily in the vicinity of the 25 ground monitoring stations.

Flights of two and a half hours' duration will be scheduled each morning and afternoon, Monday through Saturday.

One new entry in the assortment of equipment used for the field research will be constant-level balloons, called "tetrons."

Equipped with transponders and tracked by radar, they will determine wind trajectory at a constant altitude. Prantner said they are being added to the field expedition in order to move with parcels of air and study the transport of pollutants being tracked.

Job's, played for the installation marching. Mrs. Becky Slate, Bethel guardian, was introduced and Bob reported that Marty Love, the Bethel's associate guardian, was in intensive care in St. Luke's West Hospital in St. Louis.

DeMolay guests were from Alton, Jerseyville, Edwardsville and Lewis & Clark (Cahokia) chapters. The Edwardsville chapter

sweetheart, Miss Kathy Hertel, also attended. Introduced was Loren Worthen, worshipful master of Granite City Lodge 977. Speaking briefly were: Brian W. Klaus, district 16 master counselor and Howard Klaus, district 16 district deputy, both of Edwardsville.

Chapter advisor Charles A. Meyer presented James Scott Boyd with his past master counselor's jewel. Boyd then presented DeCoursey with a master counselor's pin.

Executive officer Bieser made a special presentation of a DeMolay "Hats Off Award" to

Mrs. Mary Groshong for her service to James Stuart Chapter. Mrs. Groshong is presently serving as Mother's Club president. Bieser stressed the importance of a Mother's Club to a DeMolay chapter and commended the Granite City DeMolay Mother's Club for its active club.

In his remarks following the presentation, he elaborated on the Illinois DeMolay's Bicentennial themes, "The Pride People." He said that the officers and members of James Stuart Chapter should walk with pride because of their membership in DeMolay and for the

beautiful temple in which it is their privilege to meet. Their enthusiasm for DeMolay should be reflected in their lives, he noted.

John E. McNall was presented the "DeMolay of the Term" trophy by the outgoing master counselor, Jim Boyd.

The benediction was given by the Rev. David Maxton of the First Presbyterian Church, Granite City. The installation was adjourned to dancing by the "Dirt Water Fox" of Edwardsville and refreshments served by the Mother's Club.

The Best Equipped Club in the Midwest

Ill. hospital group to convene in area

More than 1,000 health care professionals from Illinois will gather this week in St. Louis for the 54th annual meeting of the Illinois Hospital Association.

The IHA, which represents nearly 300 hospitals, will meet Wednesday through Friday at the Chase-Park Plaza Hotel.

Robert W. O'Leary, president of the association, says this year's meeting will benefit hospital executives, trustees, medical staffs, auxiliaries and all professionals responsible for hospital management and care of patients.

"The theme of our three-day meeting is 'The Patient - Our Business,'" said O'Leary. "Our entire program has been created to assist hospital people to better understand needs of those who utilize our health care facilities and to develop the necessary mechanisms to meet those needs."

Among the topics scheduled for discussion are: formation and change of institutional attitudes; how relationships of

hospital executives and volunteers affect patients; how to know and understand the emotional stress of patients and their families.

The assertive approach to feeling comfortable in any conversational situation; how to utilize the marketing techniques of industry to identify patient care needs and develop programs to meet them; and how to train employees for people awareness.

Speakers featured on the program are: Richard C. Bates, M.D., of Lansing, Mich.; Raymond C. Carey, Ph.D., director of the Office of Evaluation and Research, Lutheran General Hospital, Park Ridge, Ill.; Allan Barclay, Ph.D., professor, St. Louis University, and director, child development center, Cardinal Glennon Memorial Hospital for Children, St. Louis.

Judith Kay Riggs, director, Program for Women, University of Illinois Office of Continuing Education, Chicago; Richard C. Ireland, president, Ireland Educational Corp., Wheaton.

John A. McLaren, M.D., vice-president for marketing, Evanston Hospital, Evanston; and Mrs. E. Jean Parker, corporate training director, Neiman-Marcus, Dallas, Tex.

In addition to the educational sessions, there will be business meetings of the association's membership and its various councils, committees and affiliated organizations. Planned recreational activities include riverboat rides aboard the Huck Finn and the Samuel Clemens, and a golf tournament at the conclusion of the meeting.

General Steel earnings higher

General Steel Industries had net income for the three months ended Sept. 30 of \$1,293,000, or 51 cents per share of common stock, on sales of \$15,870,000 compared with \$663,000, or 26 cents per share, on sales of \$13,776,000 in the third quarter of 1975, it was announced last week.

This brought GSI's net income for the first nine months of 1976 to \$3,863,000, or \$1.53 per share, on sales of \$45,204,000 compared with \$2,897,000, or \$1.15 per share, on sales of \$44,569,000 in the same period last year.

W. Ashley Gray Jr., chairman and chief executive officer, and James A. Van Sant, president and chief operating officer, said, "GSI's improvement during the first three quarters of 1976 is attributable mainly to better operating economies and reduced interest expenses."

"Our 1976 fourth quarter results can be expected to reflect the slowdown in orders from the steel industry and other capital goods markets we supply."

GSI's income statements for both years include a tax credit representing partial utilization of the company's tax loss carry-forwards.

Third quarter 1976 earnings before the tax credit were \$652,000, or 26 cents per share of common stock, compared with \$318,000, or 13 cents per share, for the third quarter of 1975.

It was announced that reduction of outstanding debt is proceeding on an orderly basis in accordance with a new refinancing agreement reached in the second quarter.

GSI's indebtedness is \$8,500,000, compared with \$14,120,000 a year ago. The backlog of orders for GSI's five manufacturing divisions was \$17,129,000 at Sept. 30, compared with \$18,854,000 at the beginning of the year.

A diversified manufacturing company with 18 plants in the U.S. and Canada, GSI provides goods and services to producers of basic raw materials and a broad range of other industries. Operating units are: Ludlow-Saylor Wire Cloth, Flex-O-Lite, Standard Pipeprotection and GSI Engineering, all in the St. Louis area; National Roll near Pittsburgh and Simplicity Engineering Co., a subsidiary at Durand, Mich.

Fall courses at religious center

Three programs about therapeutic psychology will highlight the fall quarter schedule at the Religious Center (692-3246) on the campus of Southern Illinois University at Edwardsville.

The Rev. Robert J. Treat, a member of the United Campus Ministry and the International Transactional Analysis Association, will conduct three classes in introductory transactional analysis (TA) theory.

"Each class will do an overview of TA theory in such things as ego-states, stroking, games and 'rackets,'" Rev. Treat said. "Each of these is something we have or do in everyday life but aren't aware of."

The TA class will consist of six sections, two hours each. "The first hour will be outlining and discussing, and the second hour will be working on communications transactions," he said.

There will be a summary at the end of the classes — an overall review of everything discussed up until that time, according to Rev. Treat.

"We will probably run the introductory classes for a couple of quarters, and then run the advanced sections for a while, going into some of the introductory ideas more extensively," Rev. Treat said.

The Religious Center is also offering three different counseling groups this fall. "Each of the groups is limited to eight, and a good deal of time is spent working with these people."

"They continue through the quarter break, so it is well worth it," Rev. Treat said. He added that the groups usually are filled "very early."

Because of the number of

weddings each year at the Religious Center, the United Campus Ministry offers and encourages participation in its pre-marriage institute.

The two four-hour sessions include discussions about communication, religion, sexuality and an open-ended session to speak freely about whatever is most relevant to each couple involved.

"We feel that with the staggering divorce rates these days, a pre-marriage encounter such as this is quite necessary," Rev. Treat remarked.

The Rev. Russell Wigfield, Presbyterian minister at the Center, emphasized that "the pre-marriage institute is open to anyone in the area who is interested. Every so often, we have a referral for one of our institutes by a home minister."

"For each workshop of the pre-marriage institute, a person specializing in the field of communication, sexuality, or other subjects is asked to speak during the session."

"And sometimes we also ask other people to help teach, or marriage counselors to help counsel," he said.

Next pre-marriage institutes at the Religious Center are scheduled on Sunday afternoons, Nov. 7 and 14, from 1 to 3 p.m. and from 3 to 5 p.m.

Registration for quarter opens Nov. 1

Appointment cards for winter quarter registration at Southern Illinois University at Edwardsville may be picked up at the enrollment office beginning Monday, Nov. 1, according to C. B. Collier, assistant registrar at the university.

The enrollment office will be open from 8 a.m. until 7 p.m. Nov. 1, 2, 3 and 4; from 8 a.m. until 5 p.m., Nov. 5; and 8 a.m. until noon, Nov. 6.

The enrollment office is located in Room 1306 of the John S. Kendallman Building. Thereafter, the office will return to its regularly scheduled hours of 8 a.m. until 5 p.m. on weekdays and 8 a.m. until noon on Saturdays.

To obtain an appointment card, students must have, in their possession their most recent fee receipt card (No. 3 card), Collier said.

Registration dates for the winter quarter will be announced at a later date. Individuals interested in taking classes at the university for the first time are to make application immediately. They can obtain forms in the Office of Admissions and Records.

Cadet cited as top scholar

Cadet Darryl Toussaint, son of Dr. and Mrs. Harold E. Toussaint, 117 Riviera Drive, has been cited for superior scholastic work during the last grading period at Missouri Military Academy at Mexico, Mo.

Maj. John Reddick, director of studies in the high school, made the announcement at a recent review.

Missouri Military Academy is a school for boys in fourth through 12th grades. It is divided into a junior school and high school.

Cadets are sectioned by ability into honors and average groupings. Honor points are earned through a combination of the student's letter grade and section level.

North keeps state hopes alive, knocks Althoff out of playoffs

GCHS North's Steelers on Saturday night dampened Belleville Althoff's hopes of being considered for the state football playoffs, but kept their own playoff hopes burning brightly.

Coach Tom Wyrzycki's eleven battled on the rain-soaked field at the Granite City Stadium to defeat the Crusaders 7-0 on a one-yard touchdown run by Fred Clay in the second period. North, now with a 6-1 record, improved its chances of making the state finals but must avoid a second loss.

Althoff held a slight edge over North's statistics — first downs 8-4 and yards rushing 115-110. Each club gained 20 yards passing. But turnovers on passes proved decisive. Although Quarterback Chris Burns completed three aeri-als in 12 attempts and North signal-caller Greg Corey connected with three in eight attempts, Althoff had five passes intercepted and North, one remaining, Althoff five, North four. The Steelers lost three fumbles and the Crusaders two.

An indication of how the weather and surface affected the game was given in the first period, with Althoff facing a fourth down. The visitors had failed to gain necessary yardage after taking the game opening kickoff at their 30-yard line.

Burns fumbled on the first play from scrimmage but recovered the ball. He then gave to Gary Turner who ran seven yards. Burns next picked up no yardage on a quarterback keeper. Brian Carrillo slipped on the field while kicking the ball, resulting in the pugnacious traveling only eight yards.

After exchanging punts, North had the ball on its 30. Carries by Clay and Mike Sherman moved the ball in six plays to the Crusader 22, where a five-yard penalty against the Steelers placed the ball back at the 27.

Clay gained a yard on a carry before another penalty resulted in North losing another five yards.

A Corey aerial on the next play was snatched out of the air by Althoff's Bill Marsh at the six-yard line, ending the threat.

With rain and mud making the football difficult to handle and the footing treacherous, a Crusader fumble at Althoff's seven was recovered by North's Robin Smith, giving the Steelers possession with 2:02 left in the first period.

Sherman carried for a four-

yard gain and North had possession at the two as the quarter ended. Corey ran for a yard before Clay ran through the right side of the line for a one-yard TD play.

Corey's placement kick provided the seventh point with 11:56 left in the second period.

Althoff had an opportunity to score late in the third period after recovering a Granite City fumble on the Steeler 45. The Crusaders drove in six plays to North's 30, from where an aerial was intercepted by North's Steve Hartline.

After North punted it away on fourth down minutes later, Hartline gave the Steelers possession again with another pass interception on North's 34. But the Steelers fumbled two plays later.

The Steeler defense stopped the Crusaders cold in the final period.

Leo Pelek recovered an Althoff fumble in enemy territory with 11:13 left to play.

With 2:41 remaining, Hartline and Joe O'Garra broke through the line to stop Althoff's punt.

The visitors began their final series of downs from their own 20, advancing to the Althoff 28 before another pass interception by Pelek with 20 seconds showing on the clock.

Sherman gained the most ground for North, 16 runs for 50 yards, and Clay splashed out 21 yards on 12 carries.

Sherman was the recipient of two Corey passes for 12 yards.

INTERCEPTION BY STEELER. Robin Smith (35), GCHS North junior defensive back, has just snared a Belleville Althoff pass in this action picture-taken during North's 7-0 win here Saturday night. Other Steelers are

Bruce Wright (22), Steve Hartline (28), who also was active in pass interceptions, and Rich Awalt (25). No. 82 of Althoff is Don Petterson.

Borgia remains unbeaten, 58-8

Madison High School's football Trojans lost their seventh contest of the season Saturday afternoon at home, 58-8 to undefeated St. Francis Borgia of Washington, Mo.

The visitors dominated the contest gaining 25 first downs, 360 yards rushing and 24 yards passing, the latter on the one aerial. Quarterback Pat Zoellner

had five first downs, 89 yards rushing and eight yards passing. Quarterback Joe Piechocinski completed two aeri-als in 11 attempts.

Borgia took the opening kickoff at its 44, and gained five yards on a play before Trojan Gary Woodson recovered an enemy fumble at Borgia's 48. He again recovered a fumble four minutes later, but Madison had to punt the ball away each time after being held on downs.

The second punt was taken by Borgia on its 30. From there, the visitors marched 70 yards into Madison's end zone with 2:50 left in the first period. A one-yard plunge by Rob Vosbrink provided the six points, and the point-after kick failed.

Borgia scored early in the second quarter after having intercepted a Trojan pass at Madison's 15 late in the first period. Dan Shiels ran three yards for the TD. A two-point conversion run by Jeff Bolard was stopped.

With 7:12 left in the first half, Borgia blocked a Trojan fourth-

down punt on Madison's 25. Seven plays later, with 5:06 remaining, Dave Brinker carried it in from the one. The extra point kick was good for a 19-0 lead.

Another pass interception by Borgia led to a 26-0 halftime score. After the interception at Madison's 45, Vosbrink scored on a five-yard run and Chuck Marquart made good the kick.

Madison took the second half kickoff at its 30 and, on carries by Piechocinski and Heard, marched downfield to Borgia's 18, where yet another Trojan aerial was intercepted.

With 5:30 remaining in the third period, Borgia scored on a three-yard dash by Jeff Bolard. The score was 32-0 after the extra-point goal failed.

Trojan James Heard put Madison on the scoreboard with 5:17 left in the third period when he returned Borgia's kickoff 75 yards to paydirt. A two-point conversion aerial to Pete Feurka succeeded.

The visitors wasted little time in adding to their lead, scoring with 1:25 left on a 23-yard by Shiels to make it 38-0.

In the final quarter, Shiels scored again on a five-yard run with 9:17 left. Vosbrink added a TD on a 10-yard run with 7:35 left and, with 1:12 remaining, Zoellner scored on a seven-yard run. Marquart kicked the final two extra points.

Warriors roll to 2-0 victory

Coach Gene Baker's soccer Warriors gained their 13th straight win Thursday afternoon at Cahokia, blanking the Comanches 2-0. It also marked Goalie Barry Briggs' 13th shutout of the season.

GCHS South dominated the action, attempting 15 shots-on-goal and executing five corner-kicks. Cahokia had one scoring attempt, stopped by Briggs, and no corner-kicks.

Cahokia's goalkeeper stopped

eight Warrior shots from scoring. South had the least fouls, 17-25.

David Goldschmidt gained his 22nd goal of the season, scoring unassisted from 20 yards out with 10 minutes left in the third period.

Rick Beecher, assisted by Mike Voegel, scored on a throw-in from out-of-bounds with seven minutes remaining in the final quarter.

Grid Warriors sharp, outscore Alton 20-12

Coach Stan Wojcik's Warrior gridgers improved their season record to 3-4 here Friday night, defeating Alton 20-12 without the come-from-behind efforts needed in two prior wins—21-20 over Cahokia and 28-27 over Collinsville.

South took the opening kickoff and immediately moved 63 yards to paydirt from its 37.

Alternating ground gains by Jay Heubner, Bob Konegny and Cliff Moran, South moved in 10 plays to the Redbird two, and Heubner plunged through the

line for a touchdown with 6:37 left. Placement kicker Tim Kirksey's boot found its mark for a 7-0 South lead.

Alton got good field position when Rick Boulton took the ensuing kickoff at his 25 and ran it back to Granite City's 47.

Six plays later, Redbird Ron Tolbert ran nine yards for six points. The extra-point kick went wide, leaving Alton trailing 7-0.

South next began another TD drive which covered 75 yards, beginning at the 25 with 2:49 left in the first period.

On runs by Heubner and Moran and a 19-yard pass from Champion to Mike Forshee, South had advanced to Alton's 35 as the second period began.

Two carries each by Moran and Heubner moved the line of scrimmage to the 20, and the two combined their talents again to move to the Redbird 10.

A penalty against Alton placed the ball on the three, from where carries of first two yards and then one yard by Heubner provided a TD.

South led 14-6 when the point-after kick by Kirksey was good with 7:31 left before half time.

Later in the second quarter, an Alton interception of a Warrior pass at South's 46 started a series of downs which ended with Alton getting on the scoreboard with only seconds remaining.

Three Alton penalties totaling 25 yards aided the drive, as did carries by Heubner, Moran and Champion. From Alton's six-yard marker, Champion carried and scored with six seconds remaining. The extra point kick was unsuccessful.

South gained 18 first downs and 202 yards on the ground, with Heubner picking up 91 yards on 22 carries. Moran gained 97 yards on 25 carries.

Champion completed one aerial in four attempts for 19 yards in the air. Alton had 10 first downs, 134 yards rushing, and 70 yards passing on four completions.

Quarterback Brad Hewitt hit Andy Wuellner with a 15-yard TD pass with seven seconds showing on the clock. A two-point conversion pass fell incomplete and Alton trailed by two at the half, 14-12.

Fumbles, penalties and failure to gain necessary yardage on downs hampered efforts by both sides throughout the third period. Alton had possession when the quarter ended but was forced to punt early in the final quarter.

Later, after holding the Redbirds on downs at South's 26, the Warriors proceeded to drive 74 yards downfield and ate up more than eight minutes in pursuit of another touchdown.

Two carries each by Moran and Heubner moved the line of scrimmage to the 20, and the two combined their talents again to move to the Redbird 10.

A penalty against Alton placed the ball on the three, from where carries of first two yards and then one yard by Heubner provided a TD.

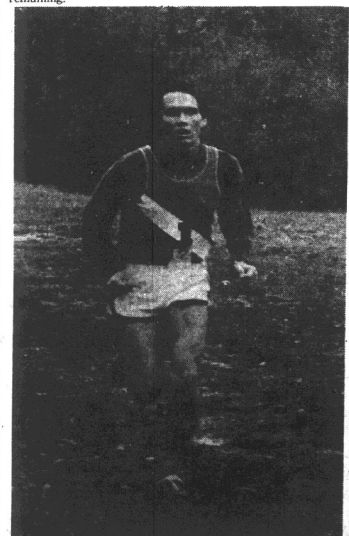

South led 14-6 when the point-after kick by Kirksey was good with 7:31 left before half time.

Later in the second quarter, an Alton interception of a Warrior pass at South's 46 started a series of downs which ended with Alton getting on the scoreboard with only seconds remaining.

Three Alton penalties totaling 25 yards aided the drive, as did carries by Heubner, Moran and Champion. From Alton's six-yard marker, Champion carried and scored with six seconds remaining. The extra point kick was unsuccessful.

South gained 18 first downs and 202 yards on the ground, with Heubner picking up 91 yards on 22 carries. Moran gained 97 yards on 25 carries.

Champion completed one aerial in four attempts for 19 yards in the air. Alton had 10 first downs, 134 yards rushing, and 70 yards passing on four completions.

SPEEDING UP A HILL. Craig Virgin takes a big lead here Saturday in winning the Illinois intercollegiate cross-country championship for the fourth time. The Lebanon High School graduate currently is starring as a runner at the University of Illinois. The Olympic competitor, despite rain, set an IJUE course record of 24:21 for five miles Saturday; the previous mark was 26:03. He has never lost a regular season college meet.

Steeler rally gains 1-1 tie

GCHS North hosted Hazelwood West High School of Missouri on Thursday afternoon, playing the visitors to a 1-1 tie in a soccer contest described by Steeler mentor Robert Kehoe as "unbelievable, just like a football game."

Kehoe was referring to the more than usual number of fouls committed, West 32, and North 18.

"Hazelwood West," sums up the head coach, "is just a physically aggressive club."

The visitors got on the scoreboard first, taking a 1-0 lead with 9:13 left in the first period.

Rain hampers tennis district tourney here

Competition in Illinois High School Association girls' district tennis play is scheduled to resume this afternoon at GCHS South and Wilson Park courts with third-round action in singles and doubles.

Two rounds were completed Friday, but activities scheduled for Saturday were postponed until today due to rain.

If the district meet cannot be completed by tomorrow, the first and second seeded players in both singles and doubles, advanced to state finals at Arlington Heights, Ill., Oct. 29-30.

Dana Hawkins of Cahokia and Julia Garcia of East St. Louis Assumption hold the top two spots in singles. In doubles, seeded first and second, respectively, are Rita and Kathy Kuhl of Bellevue East and Donna Farley-Susan Pohl, also of East.

Soccer games and sectional on slate for South, North

Coach Gene Baker's Warrior soccer team enters Alton after a 4 p.m. tomorrow before entering sectional competition here Thursday against either East St. Louis or Springfield Southeast.

GCHS North, coached by Robert Kehoe, plays at Collinsville at 6:15 p.m. today before hosting Gibault of Waterloo on Thursday in a sectional battle.

All sectional games will start at 4 p.m.

"We tried to cancel Saturday's contest with Quincy," says Baker, "due to the rain and sloppy field conditions."

"But the opponents showed up along with the officials, so we went ahead with the game," Baker noted that due to the rain, statistics of the contest and times of goals scored were not recorded.

The Warriors scored four goals in each of the first and second quarters, and added two in the third period and one in the final period.

Garnering two goals each were Fred Schuler, Eric Goldschmidt, Rick Fernandez, and Greg Feigl. John Prazma, Joe Theis and Mike Voegelé each added a goal.

Quincy scored early in the game on a penalty kick.

East St. Louis and Springfield Southeast are slated to play each other tomorrow to decide a 16th entry into the Jacksonville sectional tournament.

Other than North and South, entered also are Jacksonville, Springfield High, St. Paul of Highland, Alton, Springfield Lanphier, Quincy Notre Dame, East St. Louis Assumption, Waterloo Gibault, Collinsville,

Quincy edges Cougars, 1-0

You couldn't call Saturday's 1-0 loss by the SIUE soccer team to Quincy College an upset. The two teams are close in caliber this year and in years past. The Cougars' loss in the last four minutes of the game, in fact, brought the series between the two schools to a 4-1 record.

Quincy's victory here was due to sharp goalkeeping by Eric Delabar, who broke the hearts of a large and rain-soaked crowd of Cougar fans. SIUE is now 9-2-4 and Quincy 10-2-1.

The Hawks of Coach Jack MacKenzie were outshot by Bob Guelker's Cougar kickers by a huge margin, 38-10-18. And 21 of those came in the frenzied last half when Delabar made three open goal saves. In all, Delabar barred the door on 15 SIUE shots on goal. Bob Robson, on the other hand, had to make only four saves in the entire game.

The one "save" that Robson didn't make was a scramble goal by DuBourg High grad Neal Frederickson with three minutes and 42 seconds left in the game. The play was ruled an unassisted goal, but it was set up when Cougar Brian Higgins slipped on the wet grass and reserve midfielder Mike DiRaimondo, also from DuBourg, grabbed the ball on his toe and directed it to Frederickson.

Yates named chairman of 'hoop shoot'

Clyde Mertz, exalted ruler of Granite City Elks Lodge 1063, has announced the appointment of Richard Yates as chairman of the annual Elks "hoop shoot" free throw contest here. The co-chairmen are Charles Weiss and Cal Bartels.

The chairman is urging that all quad-city boys and girls practice their free throws and enter this year's contest.

The 8-9 age group will shoot from a line four feet in front of the regulation foul line.

There are three age brackets each for boys and girls: 8-9 (cannot reach eye 10 before or on April 1, 1977), 10-11 (cannot reach 12 before or on April 1, 1977) and 12-13 (cannot reach eye 14 before or on April 1, 1977).

Anyone in the ninth grade or high school is not eligible to compete. Winners here will advance toward national competition.

More information will follow at the various schools, Yates said.

Gators top Chiefs in double overtime

Grigsby Junior High School's football Gators defeated Prather's Chiefs 6-0 Thursday afternoon in double overtime on a five-yard touchdown run by Joe Dean.

The two teams failed to penetrate deeper than the enemy 20-yard-lines during regulation play, and then each failed to score from the 10-yard marker in the first overtime period.

Dean took a handoff from Quarterback Danny Patterson on the second play from scrimmage to score.

Final week of campaign

The final week scheduled for the Tri-Cities Area United Way campaign has arrived, and strong emphasis is being placed on solicitors completing all drive contacts.

The campaign neared 80 percent of the goal last week, and the fourth report session is planned for Wednesday at the Granite City Army Installation. Many cards remain to be filled out, and Campaign Chairman Bill H. Terrell is asking that all be completed rapidly.

Potential contributors who have not been contacted may alert the United Way office, 2022 Edison Ave., 877-6780.

Charged in disturbance

Gregory Penrod, 23, of 2165 Orville Ave., was arrested at his home at 5:45 p.m. Sunday and was charged with reckless conduct and resisting arrest.

Madison County sheriff's deputies were called to the home for a reported disturbance and said Penrod's wife, Paula, greeted them at the doorway.

While deputies were talking to her, someone pushed the front door closed, catching her arm in the doorway. Deputies said they pushed the door open, freeing her arm, and attempted to establish peace in the home.

Mrs. Penrod and Penrod had fired two shots with a revolver in the house and had tried to assault the father, of officers reported.

While the father and deputies were talking, Penrod allegedly fled through the rear door of the house, obtained a mop handle and began striking the family car with it while yelling deputies to arrest him.

Deputies said they encountered resistance in arresting him and in transporting him to the Madison County Jail at Edwardsville, where he was placed in a security cell.

TREATED AT HOSPITAL
Miss Ruth Hagen, 18, of 2138 Cleveland Blvd., was treated for pain in the left hip and back at St. Elizabeth Hospital at 3:30 p.m. Thursday and was released. The injuries were sustained as a passenger in an auto accident occurring the previous night, she told authorities.

Boyd allegedly told police at the scene of the shooting that he had shot Mr. Ingram in self-defense, after Mr. Ingram allegedly attempted to cut Boyd's throat with a knife. A .357 magnum pistol with one shot fired was given to police at the scene.

Boyd was never charged.

2-week revival at City Temple

Evangelist Ken Krivohlavak, Springfield, Mo., is conducting a "Bible Deliverance" revival campaign at City Temple, 1917 State St., starting yesterday. According to the Rev. A. E. Cope, pastor of City Temple, the evangelist's ministry emphasizes the biblical promises of healing and strength for the human spirit, mind and body. He said that the evangelist's ministry includes prayer for the sick and that many people have been healed through prayer and faith in Bible Deliverance campaigns.

Meetings will be held nightly for two weeks, with the exception of Saturdays, beginning at 7:30 p.m.

Rev. Krivohlavak preached his first sermon two weeks after his conversion at the age of 16. A 1962 graduate of Central Bible College, Springfield, Mo., he served pastorates in Missouri, Nebraska, and Idaho before entering evangelistic ministry exclusively in early 1967. He is married and has two children. The evangelist is the author of three books: "Love, Courtship, and Marriage," "Christian Marriage Adjustments," and "Desire Spiritual Gifts."

Mr. & Mrs. Harrison at family reunion

Mr. and Mrs. Ivan F. Harrison, 2542 Cleveland Blvd., have returned home after a vacation in Winston-Salem, N.C., where they visited Dr. and Mrs. Thomas B. Clarkson and Mr. and Mrs. Robert Ramsey, nephews and nieces of Mr. Harrison.

The two families hosted a Harrison family reunion with 18 attending.

The local residents also visited a week with Mr. and Mrs. Russell F. Harrison in Indianapolis, Ind.

Robot, 3 pigs, ghost win awards

Pumpkins, skeleton figures and black cats decorated the Maryville School gymnasium for the October park meeting and Halloween party of Qub Pack 96, sponsored by Maryville PTA.

The Cub Scouts attended in costume and prizes were awarded to those judged the most effective. Winning entries were displayed by Eric McCrory, first, portraying a robot, Kevin Haddock, second, who with his mother and two other brothers appeared as the Three Little Pigs and the Wolf; and Tim Macke, third, dressed as a ghost with a dagger.

Ghost stories were read by Mrs. Frances Shane with the audience participating in the sound effects. The Cub Scouts also played the broom game and refreshments were served.

The pack meeting was opened by Den 2 Cub Scouts, Kevin Haddock, Jodie Krug, Joe Papa, Chris Lay, Eric McCrory, Gary Sikora, Donald Williams, Mark Pickelner and Darrell Young, a gold arrow point, Greg Ehlers; and Webelos colors to Steve Crow, Jerry Harsh and Mark Meszaros. Den 1, led by Mrs. Joyce Huffstutler, gave the "grand howl" to conclude the meeting. Those taking part in the closing ceremony were Mike Held, Jeff Langston, Darrin Duffin, Greg Ehlers, Jim Young, Richard Boyett, Todd Huffstutler, John Shane, Tim Macke, Paul Cox and Joe Wyldie.

It was announced Pack 96 will sponsor a bake sale Nov. 19 at Tri-City Grocery store in Bellemeade Village Shopping Center. The pack's next general

meeting was set for Nov. 15. Advancement awards were presented to Webelos Robert Braun, athlete and trapper; and Keith Johnson, scholar; two-year pins, Mark Meszaros, Steve Kinney, Robert Braun and Jeff Grimm.

Den tab, Mark Meszaros; day camp patches, Tom Keelin and Darin Duffin; recruiter patches, Steve Crow, Jerry Harsh, Darrell Young, Eric McCrory, Chris Lay, Mark Pickelner, Donald Williams, Tim Morrison, Joe Papa, John Shane and Todd Huffstutler. Den 1, led by Mrs. Joyce Huffstutler, gave the "grand howl" to conclude the meeting. Those taking part in the closing ceremony were Mike Held, Jeff Langston, Darrin Duffin, Greg Ehlers, Jim Young, Richard Boyett, Todd Huffstutler, John Shane, Tim Macke, Paul Cox and Joe Wyldie.

Leaders reported Dens 1 and 4 toured the Loesch pumpkin farm and Den 1 also visited the Edwardsville Dairy this month.

Several members of the congregation were recipients of flowers during the 77th anniversary of the church held on Oct. 3 it was noted.

Mrs. Harper and her husband reside at 1021 Logan St., Venice.

Madison mothers plan parade

The Madison Mothers Club made plans to sponsor the Harris School parade and party, Oct. 29 at 1 p.m. Mrs. Karen Ruckable was in charge of the business session.

Mothers volunteered to march in the parade and judge the children's costumes. Refreshments will be furnished for the party when the children return to school.

Harris School and Louis Baer School will have open house Nov. 17 from 2 p.m. and 6 p.m. Volunteers for the mothers will serve refreshments.

Tentative plans were discussed for the Nov. 19 carnival at Harris School. This year there will be new games and booths and Christmas Bazaar. Mrs. Simms, first grade class won the prize for most mothers represented.

Hostesses for the evening were: Mrs. Lonnie Layton, Mrs. Lavern Harris, and Mrs. Rose Lawrence.

Parents meeting Wednesday

Parents Without Partners, Chapter 470, will hold a general meeting Wednesday, Oct. 27 at 7:30 p.m. at St. John's United Church of Christ, 2901 Nameoki Road. With all single parents welcome to attend. Registration begins at 7 p.m.

Topic for the evening will be "Problems Of The Single Parent" and the speakers conducting a round-table discussion will be the professional advisory committee of the Granite City Chapter, the Rev. Dr. Paul Surbey, Pastor of St. John's United Church of Christ, William Kinder, attorney at law, and William Koehn, counselor and teacher at Bellevue Area College.

Bette Coleman, president of the Gateway Regional Council will be available to answer any questions on PWP. Chapter 470 is one of 16 chapters in the Gateway Region.

"The primary endeavor of PWP is to bring our children to healthy maturity, with the full sense of being loved and accepted as persons, and with the same prospects for normal adulthood as children who mature with their two parents together. From the divorce or separation which divides a family, or the loss of a parent by death, the entire family suffers. For children in such circumstances to mature unscarred requires the utmost in love, understanding and sound

guidance. To provide this is a responsibility inherent in parenthood. It does not end with separation or divorce, for either parent, according to Mrs. Ariene Boner, chapter president.

The regional conference was held in St. Louis last week conducting workshops and meetings. Representatives from international, zone, regional and the local chapter were among those present. Announcement was made of a new speakers bureau to be available to any organization or PTA desiring more information. For more information or to make arrangements for a speaker residents are advised to call Mrs. Boner 451-7505.

DR. MRS. HERTEINSTEIN ANNOUNCED 2nd CHILD

Dr. and Mrs. Dennis W. Hertenstein of Glencoe, Minn., have selected the name of Rachel Ann for their second daughter born on Oct. 6 at the Wacoleta Ridgeview Hospital, Wacoleta, Minn. The infant weighed six pounds, 12 ounces. She has a 14-month old sister, Layla Jean. Mrs. Hertenstein is the former Mary Ann Christoff, a daughter of Mrs. Sophia Christoff, 2749 Grand Ave. and the late John J. Christoff. Paternal grandparents are Mr. and Mrs. Warren C. Hertenstein of New Brighton, Minn.

Maryville PTA plans project

Mrs. Terry Papa, president of Maryville School PTA announced the organization had purchased a laminating machine for the school, during a monthly meeting of the group. Reports were given by Phyllis Pickens and Dorothy Burton, secretary and treasurer. Jack Miller, ways and means chairman, reported the students will sell candles as a fund-raising project from Nov. 12 through Nov. 16. Room mothers will be needed to assist in the event, he added.

Principal Jack Mulach announced student pictures will be taken at the school on Nov. 4 and each pupil must bring \$2.75 before the pictures are taken.

Reunion party set for 1957 GC grads

Reservations for the reunion party of the January 1957 graduating class of Granite City High School must be made no later than Nov. 1, according to Mrs. Norma Kester Kinder.

The event will be held at Doback's Restaurant, Fairview Heights, on Saturday, Jan. 20, beginning at 6:30 p.m. But the cocktail hour and dinner at 7:30 p.m. Cost of admission has been set at \$25 per couple or \$12.50 per person, Mrs. Kinder added.

Dancing will be to the music of Art LaVelle's Band. Anyone who wishes to make reservations are advised to contact Mrs. Kinder at 931-0893 or Kathleen (Trgovich) Bledsoe at 931-1754.

Cub Pack 7 opens new season

Cub Pack 7 of St. Joseph's Church held its first meeting of the new season last week at which Carl Kittel, new cubmaster, welcomed all Cubs and guests.

The program was opened with prayer by Rev. Robt. Kettelhut of St. Peter's Church and presentation of colors by Jonathan Kettelhut, Robbie Favier, Allen Ureck and Paul Causey. The pledge of allegiance was led by Douglas Fithian and everyone sang "America, The Beautiful."

Kittel presented new officers and leaders, Anthony Boyer, Webelo leader, Frank Greathouse, assistant Webelo leader, Clara McGilroy, den mother and Louise Favier, secretary.

The following new Cub Scouts and their parents were introduced and presented their Bob Cat Badges: Paul Causey, Steve Buhman, Douglas Fithian, Billy Salas and Gregory Studdard.

The Bear Badge and two-year pin was awarded to Jonathan Kettelhut.

The rank of Webelo was introduced to Clifton Gasset, Robert Carpenter, David Selheimer and Michael Jarman. Tom Buente was awarded the

Artist and also the Traveler Awards. Tom told of his experiences during the summer when he and his family visited Rome, Italy.

Eleven of the boys were awarded temporary patches for the Lewis and Clark hike which they took this summer along with the Cubmaster and leaders.

Ron Luebben, Representative of Uniwah Council, was introduced and he congratulated all Cubs and parents for their achievements and interest in scouting.

The meeting was closed with the singing of The Battle Hymn of the Republic and the retiring of the colors.

Refreshments were served by Mrs. Jacquelyn Kittel to Cubs and the following guests:

Mr. and Mrs. Robert Kettelhut, Marty and David, Mr. and Mrs. Ray Bueck, Mr. and Mrs. Tony Boyer, Laura, Kathleen, Patrick and Jennifer, Mr. and Mrs. Gary Studdard.

Mrs. Margaret Richardson was complimented on her birthday at last week's meeting of the Thursday Evening Pinochle Club. She was presented a gift by the members.

The club met in the home of Mrs. Irene Feeler, 3311 Franklin Ave.

Those excelling at cards and receiving awards were Mrs. Agnes Schwarzkopf, Mrs. Grace Range, Mrs. Leona Parente and Miss Sandy Feeler, a guest.

Others present were Mrs. Libby Lombardi, Mrs. Irene Cunningham, also a guest, and Mrs. Grace Henrich who will entertain the group in November.

Protestant Welfare aids 80

During the month of September the Protestant Welfare Association, Inc., gave aid to 80 people at a cost of \$688 including 14 orders taken from the Store Room of the organization. It was reported at a meeting held last week at the Pontoon Beach Baptist Church.

The host pastor, the Rev. Pat Fife, gave the devotions.

Kenneth Whittington, president, presided as committee chairmen gave reports and activities of the past month. Thirty-nine local people are presently receiving hot meals through the Mobile Meal program, it was announced.

The president added contributions are still needed to help supplement the cost of the meals.

The next meeting will be held on Nov. 16 at Niedringhaus United Methodist Church.

Swine flu program set Tuesday night

The Nameoki School PTA is sponsoring a special swine flu information program, Tuesday, Oct. 26th at 7 p.m. in the school gym.

Charles Jennings from the state department of public health will have a slide presentation and explain the inoculation program.

Don Kopp, principal said that anyone interested in getting all the facts and having their individual questions answered is invited to attend.

MR. MRS. CHARLES HAYES NAME DAUGHTER TAMMY

Mr. and Mrs. Charles M. Hayes, 2520 Roney Drive, are announcing the arrival of their second child, a daughter, born Oct. 12 at St. Joseph's Hospital, St. Louis.

The infant weighed seven pounds and 10 ounces and has been named Tammy Marie. She has a three-year-old brother, Sherry.

Grandparents are Mr. and Mrs. Robert Horn, 2321 St. Bernard Ave., and Mrs. Dorothy Hayes, 2319 Marshall Ave.

Kraynak seeks 7th county auditor term

Widely regarded as a "financial watchdog" on the conduct of Madison County governmental business, County Auditor John L. Kraynak is the only individual seeking countywide office here Nov. 2 without ballot opposition.

A Democrat, Kraynak, 56, Granite City, also had no opposition in the primary election in March.

The veteran county auditor is seeking a seventh four-year term in office.

He has held the position continuously since 1952. He resides at 2592 Waterman Ave. with his wife, Marilyn. There are three children and four grandchildren.

A Madison County resident 54 years, he is a graduate of St. Mary's School, Madison, and Madison High School.

During World War II, he served as an Air Force staff sergeant in England, Africa and Italy. He is a native of Boone, Tenn. Mo.

Kraynak attended St. Louis University, studying two years in the school of commerce and finance, two years in the college of arts and sciences and a year in law school.

He studied data processing and business management at Southern Illinois University.

Before becoming county

JOHN L. KRAYNAK auditor, he served for two years as chief deputy clerk of Madison County.

Kraynak is viewed by many as an effective auditor willing to speak out on a variety of county governmental fiscal and accounting issues.

He is among those who have been active in the county's conversion to computer procedures.

He is a past president of the Illinois Association of County Auditors. His memberships include the American Legion, Lions and Amvets.

City ok's funds for left-turn light at Pontoon

An appropriation of \$6,000 in motor fuel tax funds to finance installation of a left-turn light signal at Pontoon and Nameoki roads has been approved by City Council members.

The action was taken by the council last week after City Engineer Monroe Brewer told the council that the Illinois Department of Transportation has approved the proposal and that planning for the installation has been completed.

A left turn light at that intersection has been sought by the city for nearly two years, but delay in planning and state approval has held up the project.

Brewer said he believes the left turn light will move traffic faster at the intersection, which is at the north end of the Nameoki Village shopping center. The traffic presently must make left turns on a green light against oncoming traffic.

STEAL TELEPHONE

Ted Brown, an employee at the Granite City Sewage Treatment Plant, reported Thursday the theft of a red push-button telephone which had been unplugged and left in a desk drawer.

GC man charged

Dennis L. Horton, 25, of 2512 Northridge was arrested at 3:25 a.m. Friday while walking in the 3100 block of Maryville Road, asking for a glass of water, but disappeared before he received the drink. He returned to the same dwelling a short time later and said he had been hitch-hiking and was picked up by two men on Nameoki Road at St. Clair Avenue, according to an officers report.

The injured man alleged that one of the car's occupants sat with him in the back seat and cut Horton's left hand with a straight razor. Horton offered no explanation for the action.

Pryor, Meyer in North Sea Navy exercise

Marine Lance Corporal Gary L. Pryor, son of Claude Pryor, 2808 Madison Ave., and Marine Corporal Arnold E. Meyer Jr., son of Mr. and Mrs. Arnold E. Meyer Sr. 216 Wilson Park Lane, Granite City, participated in exercise "Bonded Item" to the North Sea.

Pryor was a member of Logistic Support Group 4, a component of the 4th Marine Amphibious Brigade. Meyer served as a member of Regimental Landing Team 8 of the 4th Marine Amphibious Brigade.

They were among 11,000 Marines, soldiers and Navy corpsmen from the U.S., Denmark and Federal Republic of Germany who took part in the coordinated amphibious, land and air exercise.

Primary objective of the exercise was to evaluate and enhance Allied command and control procedures for coordinated action by NATO sea, land and air forces.

"Bonded Item" was conducted jointly by the commanders of the Atlantic Striking Fleet and Allied Baltic Approaches forces. It was one of a series of a series of operations, conducted each fall from Norway to Turkey, designed to provide unified and coordinated training of national and NATO forces within the Allied Europe Command.

Meyer is a 1974 graduate of Granite City High School South. Pryor, a former Carlyle High School student, joined the Marine Corps in June 1973.

Robt. Butler in Mediterranean

Navy Electronics Technician Second Class Robert J. Butler, whose wife Linda is the daughter of Mr. and Mrs. Floyd Fears, 2809 Nameoki Road, participated in the NATO Exercise "Display Determination" in the Mediterranean Sea.

He is a crewmember aboard the nuclear-powered aircraft carrier USS Nimitz, deployed with the U.S. Sixth Fleet. His command joined with naval forces from Portugal, Italy, Turkey and the United Kingdom for the combined exercise which included convoy operations, amphibious assault landings and anti-submarine warfare maneuvers.

The primary objective of the exercise was to train NATO naval forces in combined sea operations, to refine NATO procedures and ensure that operational plans were current.

Participating units evaluated increased standardization of doctrines, equipment and armaments among NATO forces, plus command and control procedures for coordinated action by NATO sea, land and air forces.

The convoy operation tested Allied capabilities to reinforce and resupply ground forces in Southern Europe. Acting as opposing forces, NATO units simulated surface, subsurface and air attacks along the convoy's route.

"Display Determination" was one of a series of annual operations, conducted each fall from Norway to Turkey, designed to provide unified and coordinated training of national and NATO forces within the Allied Europe Command.

A 1966 graduate of Mercy High School, University City, Mo., he joined the Navy in November 1969.

CUT BY GLASS
Keith Koller, 20, Collinsville, went to St. Elizabeth Hospital at 3:45 p.m. Wednesday with multiple cuts and abrasions to both knees and his right arm and glass in his right foot after an auto accident. X-rays were taken and he was released after treatment.

Veizer warns of winter ahead

Police Chief Ronald J. Veizer turned the calendar ahead today and made some pointed references to deadly tricks winter has in store for Granite City's drivers during the months ahead.

Winter's reduced visibility and loss of adequate traction were the chief's concern. "Our major winter traffic tieups and skid-crashes can be traced back to one or a combination of these factors," he emphasized. "Drivers must re-acustom themselves to adverse winter conditions. Their vehicles must undergo important changes, too."

As for changes in driving habits, Veizer recommended that winter weather conditions call for slower than normal speeds and increasingly greater distance between your car and other vehicles.

"Under no circumstances," he warned, "can you start, go and stop on slippery pavements with any way near the efficiency you can on clear, dry roads."

Concerning before-the-rush vehicle maintenance, he suggested that drivers follow checklists endorsed by the International Association of Chiefs of Police and based on testing carried out by the Committee on Winter Driving Hazards of the National Safety Council.

Engine tune-ups are indispensable for dependable starts when the mercury plunges. More importantly, a sputtering, unresponsive engine makes vehicle control on snow and ice-slick surfaces unnecessarily difficult if not impossible, he said.

Other suggestions by Chief Veizer:

Electrical system — at tune-up time, have your battery checked, the generator (or alternator) as well as the wiring and distributor for breaks and cracks that can short out.

Lights — all must be working; and, above all, must be kept clean.

Exhaust — make sure the entire system is tight and is not leaking deadly carbon monoxide gas.

Anti-freeze — keep recommended proportions for prevailing temperatures. Permanent types should usually be replaced every two years.

Windshield — dead wiper blades and weak-pressure wiper arms can't clear snow and ice build-ups. "Dead" blades are cracked and dry and will streak. Replace them, and at the same time have your heater-defroster system checked.

Refers youth to new study program

In a special meeting of the Madison Board of Education held Wednesday, a Madison High School youth was referred to Madison Coordinated Youth Services for an alternative education program.

A closed hearing was held Monday on a teacher's grievance which is under investigation and study by the board.

MISSOURI MEN CHARGED
After an off-duty deputy sheriff reported two men were bothering patrons at the Jack-In-The-Box Restaurant, 3330 Nameoki Road, last week, Granite City police charged Dewayne E. Davis, 23, Pevely, Mo., with illegal transportation of alcohol, and Alan Collins, 22, of Bridgeton, Mo., a passenger in Davis' car, with consumption of alcohol in a public street or place. A half-bottle of wine allegedly was in the vehicle.

Brakes — uneven braking is sure to throw your car into a skid on winter-slick roads. Have brakes checked and adjusted if necessary.

Tires — good treads are important at any time of year, and especially when pavements are slippery. It's important to remember that the type of tread is more important than whether the tire is of bias belted or radial construction.

Tires with snow treads improve traction in snow, but are less effective on glare ice.

Tire chains — by far the best

asset for all around protection under severe weather and road conditions — deep snow and glare ice. And the best of these are reinforced tire chains.

"Advance preparation coupled with sensible driving habits can reduce winter accidents and traffic tieups in the months ahead," Chief Veizer concluded.

"Time and money spent today to get your car ready for winter could be the best investment you can make for your family's security and your own peace of mind when winter hits!"

Halloween events at library

By SUSAN RARDIN

Children's Librarian
Witches, black cats, ghosts and the "Great Pumpkin" will be making their way to the Granite City Public Library, 3001 Delmar Ave., this week in preparation for Halloween.

On Tuesday at 7 p.m. young children are invited to wear Halloween costumes to the special Pajamahour Halloween party.

Preschoolers will be treated to a Halloween story hour and costume party Wednesday at 10 a.m.

Friday at 3 p.m., the children's room of the library will be the site of a Halloween costume party. Pumpkin-shaped cookies will be decorated, ghost stories told,

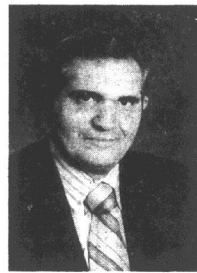

and a pumpkin seed guessing game will be played.

Ron Gomez, illustrator for "Absurd Alphabet Stories," will return to the library for a Saturday story party at 10 a.m. to create drawings on a Halloween theme. Some of the Dial-A-Story crew will be on hand to help with spooky stories.

Regularly scheduled children's Storyhours and Activities will be canceled during this week.

Terry May honored by GC City Council

A resolution honoring Granite City Patrolman Terry Dean May for earning the Medal of Valor from the Women's Crusade Against Crime has been passed by the Granite City Council.

May was present at the Council meeting and stood to display his medal.

The city council resolution read, "The Mayor and City Council of the city of Granite City express their appreciation to Patrolman Terry D. May for his outstanding performance in excess of normal demands of service as a police officer resulting in the receipt of the Medal of Valor award."

May received the medal at a ceremony in St. Louis Oct. 6 which cited him for single-handedly stopping a car and arresting a murder suspect minutes after a fatal shooting in a parking lot at Nameoki Road and Madison Avenue Sept. 25, 1975.

The Women's Crusade noted in making the award, "Patrolman May performed in a most professional manner, risking his life and making every effort to save the mortally wounded victim, who was subsequently found in another car in the restaurant parking lot, by directing other units to his assistance."

Trash pickups in Granite City are being conducted on a regular schedule this week despite the federal observance of Veteran's Day today. A normal pickup schedule also is planned through the Nov. 11 holiday.

RANSACK DWELLING

Two rolls of quarters amounting to \$20 were taken by a burglar who ransacked the home of Barbara Pittman, 2153 State St., after breaking a window to gain entry before 4:25 p.m. Thursday.

CB radio stolen

Dennis Brooks, St. Louis, told police at 9:30 p.m. Thursday that his pickup truck was broken into and a CB radio, valued at \$100, was stolen while the vehicle was in a church parking lot at 12th Street and Meridian Avenue.

Shortly afterward, an attendant at a nearby service station said he had refused to buy a CB radio from a youth with long, black hair who approached him with radio equipment.

INJURES NECK

Miss Barbara Wilkinson, 21, of 2447 Benton St., was injured in an auto accident and was treated at St. Elizabeth Hospital at 6:35 p.m. Wednesday for a neck injury. X-rays were taken and she was released.

3 Democrats are unopposed for re-election to the County Board

JAY D. MAURER

ARTHUR W. MOORE

HERBERT MILTON

Three Democrats in the Quad-Cities are unopposed in Nov. 2 for the Madison County Board.

They are Jay D. Maurer, 23rd County District, Herbert "Junior" Milton, 22nd District, and Arthur W. "Cooper" Moore, 24th District. No Republicans appear on the ballot to oppose them.

Arthur W. "Cooper" Moore, 75, of 1609 Elizabeth St., Madison, is the lone candidate Nov. 2 for the Madison County Board in District 24. He defeated an opponent in the Democratic primary election.

A Madison resident 55 years, the Rockwood, Ill., native served on the Madison County Board of Supervisors for 20 years and has been a member of the successor County Board for four years.

During the two decades he served on the Board of Supervisors, Moore also was supervisor of Venice Township (Venice-Madison area).

A longtime member and chairman of the Road and Bridge (highway) committee, he has been instrumental in emphasizing right-of-way acquisition for extension of Maryville Road there.

Moore also has been active on the Land Use Committee and on the Law Enforcement Commission.

He is a former state highway policeman and former state license investigator for the Illinois secretary of state.

A World War II veteran, Moore served in the Navy for three years, half of that time overseas.

He is a member of Amvets Post 204, Ainal Shrine, Venice-Madison American Legion Post 207, Veterans of Foreign Wars Post 1300, Elks Lodge 1063 and Madison Lions.

He resides on Elizabeth Street with his wife, Elsie.

Only 22nd District Madison County Board candidate Nov. 2 is Democrat Herbert "Junior" Milton. He was nominated over opposition in the primary last March.

Milton, 45, comments, "The county is a political subdivision of the state government."

"Among its powers are the setting of ordinances, rules and regulations, maintenance of courthouse facilities, provision of suitable books for recording, zoning and building regulations, and maps and plats for use by the supervisor of assessments and the public generally."

"The County Board is the governing legislative body of the county. It affects almost every phase of local government."

"Since my election to the County Board in 1972, I have been deeply involved in the operation of this form of government. I am acting chairman of the Buildings Committee and am a member of the Personnel and Licenses Committee."

"In recent contract talks with employees, I served as chairman of the negotiating committee."

"I have, since being elected, worked to safeguard the taxpayers' dollars by seeing that the county does not waste its money but uses it in the most efficient manner possible."

"Some of the projects toward which I have directed my efforts include ability to:

1. "Having county voting machines stored in the former Nike base, which is county-owned. This eliminated building a separate storage facility or paying rent for one, and has resulted in savings of \$8,000 a year."

2. "Working to provide an additional criminal court and space for a court administrator by moving the state's attorney and public defender offices from the courthouse."

"The cost of renovation for these additional facilities was \$25,000, as opposed to the \$80,000 that new construction would have cost."

"Purchase of the Bank of Edwardsville building has provided additional space for the mentioned offices, plus providing revenue for the

county in the form of rent for office and parking space."

"I introduced the resolution which will allow the county to build a long-needed new jail facility, and worked toward the procurement of donated land for this project."

"I am a widower, my wife, Frances, having died in the last year. I am the father of five children."

"I have been a resident of Granite City for 28 years. I have worked at Granite City Steel for 24 years. I am treasurer and committeeman in Local 67, United Steelworkers of America."

"If re-elected, in addition to continuing to work on the above projects, I will direct my efforts toward:

1. "Increasing police protection in the county."

2. "Upgrading county roads to handle increased traffic."

3. "Stimulating development of additional new residential and recreational areas."

4. "Working toward reinstatement of special, voluntary deputies."

5. "Working to resolve the administrative and financial problems of the county."

"I believe I have the experience and qualifications to do the kind of job that the taxpayer requires."

"I have been responsive to the needs of the people of District 22 and the county. I would like to be re-elected," Milton concludes.

Passengers hurt in 2-car mishap

Two passengers were hurt in autos involved in a collision at 5:35 p.m. Thursday on Nameoki Road at St. Clair Avenue. Both were admitted for observation at St. Elizabeth Hospital.

The accident occurred when the northbound auto of Debra R. Snow, 3421 Kilarney Drive, swerved to avoid another vehicle, ran over the median strip and struck a southbound auto operated by Rita S. Williams, 2808 Birch Ave. Mrs. Elaine Snow, 46, of the Kilarney address, struck the windshield with her head and suffered lacerations to the left eyebrow, cheek and head. She had x-rays taken.

Mrs. Margaret Williams, 43, of the Birch Avenue address, sustained pains in the left arm, head and neck. She also had x-rays taken before being admitted to the hospital.

Rising home values pose serious property tax problem

Taxpayers' Federation of Illinois — Equalization of local property tax assessments at the county level by means of a factor or multiplier has been with us since the factor of the 100 per cent assessment law in 1946. But even though the assessment level is now 33 and one-third per cent, as a result of House Bill 990 passed by potential size of property tax bills to be received in 1977.

Most counties at the time of the passage of H.B. 990 were under the level of 33 and one-third per cent, or close to it, and the Department of Local Government Affairs is charged with bringing the "under" counties up to 33 and one-third per cent in three gradual steps, and keeping the 33 and one-third per cent counties at such level.

Inflation being what it is, comparing current bondface sales values to values put on by the local assessors is bound to increase the size of the multiplier for most counties.

Are there any solutions to be considered by the General Assembly? We can only think of the following and present them for discussion purposes:

(1) Lower the assessment and equalization level again, probably to 25 per cent. However, this is not a good solution, because it penalizes the taxing bodies in the higher rate of assessment counties.

(2) Freeze the multiplier determined during the year of a county's quadrennial assessment year for the four years of the quadrennial period. This offers some stability to the taxpayer, but he gets a real hit when the multiplier is issued at the beginning of the next quadrennial because of rising markets. This was done in 1959 but repeated in later years.

But an even bigger cost than a home is one's children

Chicago Tribune — The biggest expense a family ever has is not a house, but a child. And the cost of having children has tripled since 1958.

So says the Community Council of Greater New York, which put the price of raising a child born in 1976 to his 18th birthday at \$84,777, and warned that young couples considering having a baby should realize that they face "a heavy financial burden."

But the council itself was apparently afraid to face up to just how heavy this burden really is. It doesn't, for example, include any prenatal or childbirth expenses, as if it still thought the stork delivered babies free of charge.

It doesn't figure in any extraordinary medical or dental expenses, when every parent knows that extraordinary medical and dental expenses are as inevitable as chickenpox. It assumes offspring become

Jesse Landrus, 67, succumbs

Jesse Landrus, 67, of 2011 Fourth St., Madison, was pronounced dead at his home at 12:15 p.m. Sunday by Madison County Deputy Coroner Randy Irwin.

Mr. Landrus was seen through a rear door window flying face down on the kitchen floor by a neighbor, who notified the county sheriff's office at 10:30 a.m. Sunday.

The doors to the dwelling were locked and had to be forced by the deputies to gain access into the house. Everything appeared to be

Three hurt as car hits pole

Three persons were injured when the westbound auto of Mark Kotter, 16, of 3312 Harvard Place, left the roadway on St. Clair Avenue at the rear entrance to Charlie's Restaurant near Nameoki Road and struck a utility pole at 2 p.m. Sunday.

An ambulance and Illinois Power Co. repair crew were called to the scene. Kotter told police he turned around to look in the rear seat when the car veered to the right and went over the curb, striking the pole.

Dixon has wide governmental experience

Alan J. Dixon, 60, Belleville, is the Democratic candidate for the office of Illinois secretary of state.

Elected as state treasurer in 1970, he was re-elected to a second four-year term as treasurer in 1974, gaining an overwhelming victory.

He initially considered running for governor this year and later was endorsed by the Illinois Democratic Central Committee for the secretary's office now held by Michael J. Howlett. The latter is opposing James Thompson for governor.

In Illinois, the office of secretary of state has a much wider range of duties and responsibilities than in the case in most other states. As a consequence, Dixon regards the office as second in importance in Illinois only to the position of governor.

The size of the staff is vast, and Howlett is regarded as having succeeded in improving

efficiency and reducing costs. Dixon is pledged to continue such reforms.

As treasurer, Dixon has been able to achieve record investments for the state for the benefit of taxpayers.

In addition, although state payments by the executive branch have been assailed for long delays, Dixon has made it a policy to have financial transactions clear the treasurer's office within hours of their receipt.

An attorney, businessman, banker and leader of his party on the floor of the State Senate, he initially won elective office at age 21.

In 1960, at age 33, Dixon was elected to the State House of Representatives and was the youngest member of the Illinois legislature.

He won the Independent Voters' "outstanding legislator award" on three occasions.

He has over a quarter-century

of public service and has won every elective office that he has sought.

Dixon was re-elected to the House for five consecutive terms (1960-1968) and served on every major committee. He was chairman of the House Judiciary Committee in 1969 and 1970.

It was during this period that he became familiar with state fiscal and revenue programs. In 1962 he was elected to his first term in the Illinois Senate, and was re-elected in 1966.

After only two years in the upper house, he was named Senate minority whip. A newspaper referred to him as "one of the outstanding orators of the Democratic party."

His name became identified with much legislation — such as a revised state criminal code, minimum wage bills, judicial and election reform and consumer fraud.

Dixon won praise from such

diverse groups as the Taxpayers' Federation of Illinois, Illinois Farm Bureau, Illinois AFL-CIO and Illinois Retail Merchants Association.

His legislative record in both the House and Senate was one of few legislators matched. From 1960 to 1970, he voted on every bill affecting the office of state treasurer.

As chairman of the Judicial Advisory Council beginning in 1961, he achieved comprehensive knowledge of criminal jurisprudence and the Illinois judicial system.

Dixon also was a member of the Constitutional Study Commission, which recommended the calling of a constitutional convention that led to public approval of the 1970 State Constitution.

A graduate of the University of Illinois and Washington University Law School in St. Louis, he was the senior partner in the law firm of Dixon & McConnell of Belleville before

becoming state treasurer.

He formerly was a partner of former Lieutenant Governor Paul Simon in a chain of independent weekly newspapers throughout the state.

Dixon has been a member of the Illinois State Bar Association, St. Clair County Bar Association and American Trial Lawyers Association.

He is past president of the Young Democrats of Illinois, a recipient of the Jaycee Distinguished Service Award, a member of the Chamber of Commerce, past adjutant of the Belleville American Legion post and a member of the Armvets and the Navy Club.

Dixon was born and raised in Belleville. He and his wife, the former Joan Fox, have three children: Stephanie, 12, Jeffrey, 10, and Elizabeth, 8.

During his tenure as state treasurer, the office has made a record in earnings through fund investment.

Harris minority leader of Illinois Senate

The Nov. 2 ballot includes William C. Harris, Republican nominee for the office of Illinois secretary of state. He was elected to the March 10 primary election.

The Pontiac legislator, a Republican leader in the Illinois Senate, has said during this year's campaigning that he will seek legislation changing the auto license display deadline from winter to summer.

"Car owners freezing their hands to put on new plates or standing in line shivering in the middle of winter to buy new plates is unnecessary," Harris said.

The deadline would go into effect in 1978 and would be implemented by issuing a six-month tag in January of that year.

The senator said that his proposal would dovetail with present proposals to switch to five-year license plates for the state's estimated 5.3 million passenger cars.

Harris called the plan "my first priority as secretary of state."

Sen. Harris, 54, represents the 11th district, which includes Pontiac. Before becoming minority leader, he served as chairman of the Senate Committee on Finance, which decided on a committee and commission appropriations Division of the Senate Committee on Public Finance and a member of the Illinois Budgetary Commission. Senate Committees on

Agriculture, Executive, Public Utilities and Senate Operations, and also the Revenue Division of Public Finance.

Harris has served 22 years in the legislature, having been elected in 1954 to the House of Representatives, where he served six years. In 1960, he was elected to the Senate.

In private life, Harris has been a district agent for the State Mutual Life Assurance Co.

He received a bachelor's degree from the University of Illinois after four years' Navy service in World War II.

Harris served as charter president of the Pontiac Jaycees. He ran in 1968 for the post of state auditor.

Harris feels he has somewhat of a name recognition problem in various areas of the state, but

has campaigned actively to counter this.

He expects to be aided by Davis, continued by other Republicans on the Illinois ballot, including James Thompson for governor and Attorney General William J. Scott.

His name is among those surfacing on the fringe of the industry-legal trial in which several present and former lawmakers were convicted. No case could be developed despite the acceptance of a campaign contribution.

Noting that the publicity was damaging, he adds, "I've continued to live my life like I always have — a life of integrity, dedication and hard work."

Harris favors biennial state budgeting, saying, "We're really in trouble the way we are going to deal with 4,500 pieces of legislation simultaneously with the adoption of the budget. We don't have time to make careful, thoughtful decisions."

He assails his ballot opponent for "absenteeism" and pledges hard work and "full commitment" to the state of Illinois.

Sen. Harris comments, "Public employees ought to work Saturdays and Sundays and when most people are on their day off, and people ought to be able to get service out of government without personal sacrifice. I'll impose a pilot program of mobile driver license examining stations."

Mr. Gendron had a 1967 conviction for voluntary manslaughter, resulting in a 10-15-year prison sentence. Subsequent cases included — in Belleville and Cairo, Ill. — burglary, armed robbery and assault, according to court records.

Whereabouts was not known from June 1973 until late 1975, when he allegedly was in a disturbance in the Cloverleaf Addition south of Madison. No charges resulted from the disturbance.

Mr. Gendron's body is to be taken to a St. Louis funeral home, where services are to be arranged.

It later was ruled that the three years between the time the parole violation warrant was issued in June 13, 1973, and the time of his arrest was sufficient time served for the alleged violation and that the warrant was dismissed.

Mr. Gendron was arrested last month in Granite City, where he was charged with being a convicted felon in possession of a firearm. He was released on \$400 cash bail on recognition bond pending the preliminary hearing Friday in Edwardsville.

Gendron shot fatally today

Vincent Gendron, 42, Caseyville, a former Granite City resident, was fatally shot during a disturbance at the Negro Lodge, 3125 Fairmont Ave., State Fair Place, at 1:20 a.m. today.

Mr. Gendron had been released on bond after a preliminary hearing in Edwardsville Friday on a charge of being a felon in possession of a firearm in Granite City.

Witnesses alleged Mr. Gendron and Thomas Hunter, 37, State Fair Place, argued in the lounge and Mr. Gendron displayed a .357 magnum pistol and fired several times at Hunter.

A man then returned Mr. Gendron's fire with several bullets, one striking Mr. Gendron's head, between his eyes, killing him almost instantly, the witnesses told Madison County sheriff's deputies.

No one else was injured during the disturbance, deputies said.

On the advice of the Madison County state's attorney's office, all charges have been filed against anyone in the lounge. The investigation is continuing, a sheriff's spokesman said this morning.

Mr. Gendron was pronounced dead at the scene at 1:40 a.m. today by Madison County Deputy Coroner Randy Irwin.

An autopsy is to be conducted this afternoon and an inquest is to be scheduled.

Mr. Gendron is a former resident of the 2200 block of Lincoln Avenue, and was

arrested in January by Granite City police and Federal Bureau of Investigation agents who alleged he had violated his parole.

It later was ruled that the three years between the time the parole violation warrant was issued in June 13, 1973, and the time of his arrest was sufficient time served for the alleged violation and that the warrant was dismissed.

Mr. Gendron was arrested last month in Granite City, where he was charged with being a convicted felon in possession of a firearm. He was released on \$400 cash bail on recognition bond pending the preliminary hearing Friday in Edwardsville.

At that hearing, the charge was reduced to a misdemeanor, and the bond was continued. He was free on bond when finally arrested this morning.

Mr. Gendron had a 1967 conviction for voluntary manslaughter, resulting in a 10-15-year prison sentence. Subsequent cases included — in Belleville and Cairo, Ill. — burglary, armed robbery and assault, according to court records.

Whereabouts was not known from June 1973 until late 1975, when he allegedly was in a disturbance in the Cloverleaf Addition south of Madison. No charges resulted from the disturbance.

Mr. Gendron's body is to be taken to a St. Louis funeral home, where services are to be arranged.

local, state and federal law enforcement agencies and frequently praises their performance.

The office also provides legal advisory services to all portions of the county government. He estimates that grants, scholarships and state and federal subsidies that have been obtained have saved county taxpayers over \$200,000.

"The average felony case is being disposed of in less than 60 days," Byron reports. "We have one of the most current dockets in the U.S. The jails are full, and we are keeping criminals off the street."

Byron says he enjoys prosecuting cases but has devoted himself primarily to administrative duties due to the caseload.

For his second term, he proposes a team approach to prosecution, with three assistants assigned to geographic areas of Madison County, determined by population and crime volume.

"We've come a long way with police communication and cooperation, and this is another way to improve the understanding and rapport with police officers," Byron comments.

He expects to expand prosecution of consumer and personal fraud cases, and will continue to rely primarily on the grand jury for investigative activity.

He recalls that felony convictions in the January-June period have risen from 150 in 1972 to 215 in 1976. "We generate as much revenue in fines and convictions as is spent. There is no organized gambling or vice."

"The only time our office plea-bargains is when the situation fully warrants it," Byron adds.

Evers says he is dissatisfied with the conduct of the office and pledges that he could achieve improvements.

"My opponent has too many part-time assistants who amount to little more than political hacks," he alleges.

Evers contends that the part-time aides receive more than some of the full-time assistants.

"This includes Don Smith, who signed the ballot challenge to my candidacy," Evers says. The challenge later was overruled.

Byron praises Smith, saying that with his leadership "we have a civil division that is of incredible caliber." Smith's duties include providing legal advice to the Madison County Board.

Evers promises to have "one attorney handle cases for specified law enforcement departments, with a back-up attorney for each case."

"I would expect each of them to be thoroughly familiar with the cases. They would have their witnesses properly notified and ready to go on the day of trial," he says.

He blames plea-bargaining for "giving reduced charges in exchange for guilty pleas. You can bring that offense down to its knees if you're willing to let them avoid a trial."

"I don't know if they do it out of fear of losing or just to get impressive conviction statistics. But they routinely reduce serious charges to a less serious felony or a misdemeanor," Evers alleges.

"Anybody can get a conviction if you recommend probation as punishment for a felony. Only in rare and circumstantial cases would I tolerate bargaining."

Byron replies that every case receives individual attention and that the courts could function if every indictment was followed by a full-fledged trial.

Evers says assistants are receiving "too much leeway" and are hard to locate at their offices or at the Courthouse.

The people who have encouraged me to run are law enforcement officers. Morale is low because many who are a criminal is captured but never convicted."

A conservative Republican, Evers opposes decriminalizing marijuana. He proposes to utilize the grand jury "mostly for instances of conspiracy and white-collar crime."

Married, he served four years as an assistant United States attorney in the Eastern District of Illinois before joining the James Massa law firm this year.

"I have lived most of my life in Madison County, including 23 years in Godfrey," Evers notes.

A 1962 Alton High School graduate, I received a bachelor of arts degree from Blackburn College in 1967 and a law degree from the University of Kansas in 1972. I taught school in Alton for three years.

"I have vigorously prosecuted violations of federal criminal laws. As state's attorney, I would represent all the people, not just special and narrow interest groups."

The state's attorney is the lawyer for the county. He alone, makes the decision to prosecute or dismiss charges.

"He alone, determines what

Scouters honored, officers elected at Uniwah dinner

Five volunteer leaders in the Uniwah (Quad-Cities) District of the Cahokia Mound Scout Council were honored at the dinner Thursday night in the First United Methodist Church.

Those receiving the highest honor, a local Scout district may bestow on volunteer leaders were:

Scoutmaster Jack Vizer; institutional representative Mrs. Barbara Schwertmann; Richard Foote, a member of Scouters reserve and former scoutmaster; Scoutmaster Bob Williams, and Dr. Thomas Layloff, retiring district chairman.

A volunteer leader must have five or more consecutive years of outstanding service to one of the three programs, Cub Scouting, Boy Scouting, or

Exploring, in the Boy Scouts of America. The recipients are chosen by a screening committee with reviews, the volunteers record of devotion, ideals and accomplishments in the Scouting program.

Grande City Police Officer Glenn Wright who is adviser to Police Explorer Post 10-33 was presented an engraved plaque as the outstanding adult Explorer volunteer in the Uniwah district.

The plaque was presented by Bruce Rotter, area Explorer chairman of Area 3 of the North Central region, and W. F. "Mick" Strange, vice-president of the Cahokia Mound Council for Exploring.

Those officers elected for the 1976-77 year are: Bernard Miller, chairman; Mrs. Pat

Footo, vice-chairman of Cubbing; Charles Taylor, vice-chairman of Scouting; Mike Burdett, vice-chairman of finance; Ronald Lubben, vice-chairman of Cub relations; and Ted Scrum, vice-chairman of Scout relations, and Duane Smith, district commissioner.

Circuit Judge Horace Calvo of the Third Judicial Circuit was the guest speaker. Judge Calvo complimented the 175 volunteers present for the job they are doing through the Scouting program in helping youth develop a set of standards and ideals. He commented that if the world had more people like the ones attending the dinner, the criminal courts would see fewer and fewer youths in serious trouble.

Boy Scouting's highest training award known as "Wood Badge" was presented to Kendall Hillmer Sr. of Troop 6, Robert Williams of Troop 15 and

Commissioner Smith. Leadership training awards went to: Mrs. Henrietta Graham of Pack 141, den leader's award; Mrs. Pauline Perkins of Pack 96, den leader's award; Robert Moske, Shanks and Williams received the commissioner's Arrowhead Honor.

The opening ceremony was presented by Cub Scout Jerry Mize of Pack 20, Boy Scout David Throne, senior patrol leader on Troop 16, and Uniwah District Chapter Chief of the Order of the Arrow, and Associate Adviser, Randy Affolter of Post 10-4 and lodge chief of the Arrow.

Ronald Coleman was chairman of the buffet dinner which was served by Voloski catering.

District Scout Executive Ned Freeman closed the program with the traditional "Scoutmaster's Minute."

Expect ruling this week in suit against sewers

A ruling on whether proposed sanitary sewers may be constructed in Chouteau, Nameki and Venice townships or whether a permanent injunction should be issued to halt the project is expected by the end of this week from Circuit Judge E. Harold Wineland of the Fourth Judicial Circuit in Flora, Ill.

Judge Wineland received final written briefs last week from Harry Hartman, attorney representing Madison County and its special sewer committee, and Joe Hill, attorney for a group of residents who filed suit to attempt to halt the project.

Judge Wineland presided at a two-day hearing Oct. 12 and 13 at which both attorneys presented witnesses on the issue.

The suit filed by Hill seeks a ruling that the sewer planning

and establishment of the service region were not done according to law, that a state law establishing special service regions is unconstitutional and that the financing, as proposed, is not proportionate in reflecting the value of the sewers to each resident as opposed to the cost to each. Witnesses aided Hill in supporting his contentions.

Hartman presented witnesses who contended the county followed every appropriate statute in establishing the district and that sewers are badly needed in the area to be served.

Judge Wineland urged both attorneys to submit their final written arguments as soon as possible so he could make his ruling while the case was fresh in his mind. He pledged to decide the issue within four

days to a week after receiving the final written arguments. His ruling is expected to be filed late this week with Madison County Clerk Willard V. Fortell.

MITCHELL YOUTHS TO COLLECT FOR UNICEF The youth departments of the First Baptist Church in Mitchell, will tour the Mitchell residential area from 6 to 8 p.m. Friday, Oct. 29, to collect for UNICEF, according to Mrs. Virginia Hamataux, chairman of the project.

Adult members of the church will accompany the children during the evening.

Schools to close for BIE teachers tour Wednesday

Public schools in Granite City, Madison and Venice and St. Mary-St. Mark School in Madison and Venice will close Wednesday to permit teachers to participate in a resumption of the Business-Industry-Education Day program in the Quad-City area.

The project will involve 900 public and parochial teachers, according to George T. Wilkins Sr., chairman of the Education Committee of the Tri-Cities Area Chamber of Commerce, coordinator of the special faculty institute along with teachers and school officials.

The project is an effort to better acquaint teachers in this area with local industry, the competitive enterprise system and the practical economic aspects of business and industry.

Robert D. McBride, president of Granite City Steel, will be the

guest speaker. Granite City elementary schools will be dismissed at 11:45 a.m. Thursday for faculty in-service day, and also will be dismissed on Wednesday, Nov. 3 for parent-teacher conferences.

Parochial schools, including St. Joseph, St. Elizabeth, Sacred Heart and St. Margaret Mary in Granite City, and St. Mary-St. Mark in Madison and Venice, will have a free day on Nov. 1, which is All-Saints Day. Veterans' Day on Thursday, Nov. 11, will be observed by all public and parochial schools in the Quad-Cities with no classes scheduled.

Thanksgiving holiday for Granite City public schools will be observed on Nov. 25 and 26 and the Christmas vacation for pupils in Granite City public schools will start on Dec. 23. Classes will be resumed Jan. 3.

Pack 22 hosts Halloween meet

Members of Cub Pack 22, sponsored by Frohardt School PTA, dressed in Halloween costumes and participated in a judging contest during the monthly pack meeting held Thursday night in the school gymnasium.

Those willing prizes for the most original costume were Billy Yelton, first and Kenny Daeer, second; for the scariest was Alan Schubert and Mark McClew and the funniest, Brant Cook and Kevin Kalka.

The opening flag ceremony was given by members of Den 8 including Travis Bushue, Dale Dotzauer, Kenny Daeer and Jim Colp Jr. Leading the pledge of allegiance was Jim Colp Jr.

Cubmaster Jim Colp Sr. awarded the Bobcat badges to David McCormick, Evan Ellsworth, Tim Mason, Samir Taylor, Kevin Kalka, Knicker, Jim Patton, Tim Robinson, Mike Rotter, Jim Smallwood and Billy Yelton.

The cubmaster and Dick Oliver will present the charter at the November PTA meeting, it was announced.

All pack meetings will be held on the third Thursday of the month, at the school, Colp repeated. Henry Lamb will begin meetings for the Webelos on Wednesday, Oct. 27 at his home, 2129 Clark Ave., he added.

Seven new members were welcomed and presented with a rosette patch and McDonald certificate. Those joining the Pack were Mike Rotter, Kevin Kalka, Tim Patton, Scott Botkin, David McCormick, Tim Mason and Tim Stanton. The cub scouts gave the "grand howl" as the closing ceremony and refreshments were served by mothers of Den One and Two. The next committee meeting is set for Nov. 2 at the school.

ROBERT BUNSELMEYERS NAME FIRST CHILD AMY

Mr. and Mrs. Robert Bunselmeyer of Rural Route One, Granite City, became the parents of their first child, a daughter, born Saturday at Belleville Memorial Hospital. The infant weighed nine pounds, 12 ounces and has been named Amy Marie. The mother is the former Miss Sue Keller.

Grandparents are Mr. and Mrs. Donald Bunselmeyer of Granite City and Mr. and Mrs. Bill Keller of Collinsville. The maternal great-grandparents are Mr. and Mrs. George Willardt of Granite City and Mrs. John Keller of Collinsville. The paternal great-grandmothers are Mrs. Frank Bunselmeyer of Granite City and Mrs. Harry Brinkhoff of Collinsville.

MR. AND MRS. LINDELL COWAN who were united in marriage Friday afternoon at the City Hall in Granite City with Judge Merlin Hiscott officiating. Formerly Angela S. Williams, of Granite City, the bride is a daughter of Mr. and Mrs. Everett Atchley, Clearwater, Mo. The groom, a resident of Madison, is a son of Mr. and Mrs. Curtis R. Cowan, Chester, Ill.

Jaycee Haunted House to open on Thursday

A "Haunted House" will be sponsored by the Granite City Jaycees, starting Thursday evening at the Jaycee Clubhouse, 1855 Poplar St.

The Halloween project will continue each night through Sunday, Oct. 31, beginning at 6:30. The "house" will remain open until 10 p.m. Thursday, Friday and Sunday, and until 11 p.m. Saturday, Bob Burgess and Frank Ramsey, co-chairmen, announced.

Children will be admitted for 50 cents and adults for \$1. Circulars are being distributed this week which enable a child to a free admission if accompanied by an adult. Free tickets also will be distributed, Burgess said.

Eleven spooks, monsters and

other traditional Halloween characters will be featured in 12 different scenes at the Jaycees' haunted house.

VENICE BURGLARY

A grocery store and apartment at 1104-1106 Logan St., Venice, were discovered burglarized at 11 p.m. Sunday by Vicki Dandridge who lives in the apartment. Solo Banks, owner of the building which houses Bank's grocery and two apartments, is taking inventory to determine the extent of the burglary. Known items missing were \$25 in coins, \$15 in currency, cigarettes, and several radios and watches from a display case.

2 hurt in car, train crash

Two young Granite City Women were injured when their auto was struck by a moving freight train at 2:05 p.m. Friday on Centerville Road, south of Edwardsville.

Miss Audrey Heinzl, 18, of 2638 Grand Ave., driver of the car, suffered pains in the abdomen. Her passenger, Miss Daisy Langston, 18, of 2164 Miracle Ave., sustained small abrasions to the forehead and chin.

They were taken by ambulance to St. Elizabeth Hospital, where x-rays were taken. Both were released after treatment.

Edwardsville police said a dip exists in the road immediately before crossing the tracks which may have obscured the approaching engine from the driver.

Miss Heinzl reported the Norfolk and Western train was only 15 feet from the car when they first saw the engine. She said she accelerated and the engine, moving at normal speed, struck the rear end of the vehicle. Damage to the car was estimated at \$700.

Woman faces dog control charges

Debbie L. Epperson, 25, of 2509 Grand Ave., was arrested at home at 5 p.m. Saturday upon issuance of four warrants. She was taken to police headquarters and released on notice to appear.

The warrants charged: Failure to have dog or dogs inoculated for rabies; Permitted a dog or dogs to run at large without muzzles; Allowed dogs to disturb the peace and run at large; and failure to provide a dog or dogs with collars to which tags may be affixed.

A quantity of cannabis was confiscated from the Summers vehicle, police said.

Motorist charged in two-car crash

Responding to a traffic accident call in the 2500 block of Missouri Avenue at 2:48 a.m. Sunday, police reported finding Mark R. Summers, 19, of 2623 North St., in the street talking incoherently. He was charged with unlawful possession of cannabis and driving while intoxicated.

Summers' northbound car allegedly crossed the center line and struck a southbound taxi cab, operated by George A. Ballew, 105 Kirkpatrick Homes, in the left rear.

A quantity of cannabis was confiscated from the Summers vehicle, police said.

Zoning hearing

The Madison County Zoning Board of Appeals will hold an on-site public hearing at 10:25 a.m. Tuesday at the corner of Allen and Harrison streets in Eagle Park Acres, where James Haynes and Onie Lee Graham are requesting a special use permit to place a mobile home. The property is in an R-4 single-family residential district of Venice Township.
